DIRECTORS' MEETING.

General Manager Butler's Work Satisfactory.

At a meeting of the directors of the Durham Traction Company, held Tuesday, the following were present: R. H. Wright, J. S. Manning, H. A. Foushee, J. S. Carr, of Durham; Samuel Register, of Richmond.

The work of W. W. S. Butler, general manager, was found entirely satisfactory by the directors. Two additional turn-outs were ordered to be placed between Main Street church and the car barn. It is expected that the summer cars will be on in a short time.

The street car track in West Durham will be extended to the Southern Railway "depot." This will be done as soon as the company completes the work now in hand.

Rapid progress is being made in getting the new park ready. It will be known as "The Lakeside Park." The merry go round and restaurant building have been completed. The dancing pavilion is nearing completion. An artificial lake will cover five acres of ground. Gondolas will be placed on it. A bath house will soon be erected.

RED MEN'S BARBECUE.

To be Given at New City Park Thursday Night.

Manataka Tribe, No. 21, Improved Order of Red Men, will have a barbecue on Thursday night at the new city park.

It was first intended to have the barbecue on the night of July 25th, but owing to the fact that this conflicted with other things in such a manner that several of the members could not have been present, it was decided to postpone for a few days.

The members of the tribe will meet in their wigwam over Lamb & Lyon's store, and leave on the street cars for the park at 8 o'clock. Supper will be served at 8:30.

George E. Lougee, Sr., will prepare the barbecued meat, lamb, chickens and other toothsome viands.

It is expected that a large crowd will be present. The Durham Traction Company, in a very generous manner, has offered the use of the park for this occasion.

A Worthy Man.

R. G. Russell, who is a candidate for the nomination for Clerk of the Superior Court, is in the city today, shaking hands with his friends, and wishing them success and all the blessings of life. Mr. Russell is a staunch Democrat and a gentleman worthy of the office, should they see fit to vote for him. He has twice represented this county in the legislature, and is faithful to all the trusts imposed upon him and he is now seeking the suffrage of his people for a county office that he is perfectly capable to fill.

The Durvana Cigar.

The Durvana cigars are now being put on the market. For 5 cents it is a fine smoke, mild, of choice flavor and superior quality. The fine imported Vuelta Abajo filler of the Durvana is the same as used in ten and fifteen cent brands and will please the fastidious taste.

Durham and Havana are made famous by tobacco and the combination will make fame for The Durvana brand of cigars. See advertisement in this paper.

JUMPED INTO A DEEP WELL

AN ATTEMPT TO END HER EXISTENCE.

A Young Hero Named Anderson Rescued Her Safely—Thought Out of Danger.

On Tuesday night about 10 o'clock, Miss Beulah Lamond, aged about 20 years, jumped into a well at her home on South street. This well is said to be about 65 feet deep.

Miss Lamond was rescued by a young man named Harry Anderson, who threw off his coat and shoes and went to her assistance. A small rope was tied under his arms, and he descended a larger rope, which had been procured, in safety. The young lady, when she struck the water, sank and came up. As she did so she caught hold of a pipe and thus held herself up. There is 15 feet of water in the well, and this evidently broke the force of the fall.

Mr. Anderson, who supported the young lady, was drawn to the top with his burden. Modest young man as he was, Anderson slipped out of the crowd and was gone. Not a soul, so far as we know, knew him until he told his name. He was indeed a brave hero, and worthy of commendation for his act—ready and willing, if necessary, to sacrifice his own life in order to save that of another.

As soon as Miss Lamond was taken out of the well, she was carried into the house and given all necessary medical attention. Several physicians were on the scene ready to render aid. An hour or more after the occurrence, the young lady was considered out of danger.

Mrs. Alice Link, sister of the young lady, went off into hysterics. She gave way while in the yard, and after being fanned and looked after there, was moved into the house.

The cause of the young lady's act was dependency, owing to the abuse and treatment she received from her sister. For some time past it has been said that things were not as pleasant as should be, and that the young lady has been shamefully treated on several occasions. Tormented until life became a burden, she preferred death and its consequences instead of a hell upon earth.

A Delightful Ride.

Mr. and Mrs. Charles McGary gave several of the little folks a most delightful ride on the street cars Tuesday evening. It was about the jolliest crowd we have seen for some time. Among those we noticed were little Misses Rebecca Michie, Placide Kramer, Mary Louise Manning, Mary Bryant Griswold, Mary Mercer McGary, Annie Belle McGary, Masters Will Griswold, Bryant Griswold, Leo Hearty, Stuart McGary.

Marriage in West Durham.

A marriage license was issued this afternoon to Mr. Cal Burgess, of Wake county and Miss Emma Jacobs, of West Durham.

The ceremony was performed this afternoon about 2:30 o'clock, at the residence of J. H. Tilley, by Squire W. G. Lassiter.

The happy pair have many friends who wish for them all joy and happiness.

Base Ball Gossip.

The Durham team is to have two new players in a day or so—pitcher Hess, of York, Pa., and infielder Schultz, of Wilmington, Del.

Raleigh last evening heard that Stockdale had left the Durham team and they telephoned him an offer of \$200 a month to come to them. He will remain with the Durham team.

Lost.

TRIED THIS MORNING.

Jones Was Up on a Peace Warrant.

L. B. Jones was tried before Squire D. C. Gunter this morning on a peace warrant. It seems that Jones came here and about two miles southwest of the city threatened to kill his wife, Mrs. Anna Jones. She was at the home of her brother, A. G. Elliott, who had brought her here from South Boston, Va.

The court decided that if Jones would pay the costs amounting to \$5.25 and leave the city on the afternoon train, that he would be allowed to do so. This the defendant agreed to. If, however, he fails, a writ will be served on him at once.

Where Delightful Breezes Blow

Life in Durham has its pleasures and recreations now, that borders on sea breezes, fanning of fair brows, and refreshment to wearied brains. It is a ride on the street cars, in the sultry evenings, to East and West Durham. It cools you off immensely.

The Sun gave Mrs. Sun a trolley excursion around the entire line of the Durham system last evening and it was a delightful outing. Mrs. Sun has ridden on the trolley lines from Huntington, W. Va., and they have splendid systems out there—to points in Kentucky and Ohio some twenty and twenty-five miles distant, and it is her candid opinion that the Durham line is superior to them, and if any thing more delightful. This opinion is worth a great deal to the Traction Company, coming from such an eminent source, but we do not charge for it as we are capable of giving out just such information on short notice. But ride on the street cars and enjoy the delightful southern breezes that fan our fair city.

Carried to Creedmore.

The remains of Mrs. Susan Wilson, aged about 80 years, who died in Raleigh Tuesday, were brought up on the 9:50 Southern train this morning. The remains were transferred to the Seaboard Air Line train and carried to Creedmore, where the interment took place this afternoon.
