## ON TO GREENSBORO.

Democratic Hosts Begin to Move Thither.

Tomorrow and Wednesday morning the rush to the Democratic State, Congressional and Judicial Conventions at Greensboro, will be on. Arrangements have been made for extra coaches on train No. 7, which passes here tomorrow afternoon at 4:43 o'clock, and also for train No. 11, which leaves Durham at 2:30 a. m. A number of delegates will wait and go up on train No. 35, due here at 9:50 a. m., on Wednesday morning.

The delegates from Durham, Granville, Person and other counties, or at least many of them, will board the cars at this point.

The State Convention bids fair to be one of the most notable gatherings in the history of North Carolina. It is the first since the adoption of the Constitutional Amendment, and the first since the Democratic party regained control of the legislative and executive departments of the State government.

Some of the delegates passed through today en route to Greensboro.

## DURHAM IS OUT.

Did Not Go to New Bern to Play This Week.

The State Baseball League has been in a shaky condition for several days, and the Durham team is out. This was decided upon at a meeting of the directors of the League, held in Raleigh, Saturday night. Durham was to have played in New Bern the first three days of this week.

By Durham dropping out, it leaves only three teams in the League—Greensboro, Raleigh and New Bern. It may be that Wilson will take Durham's place in the State League.

The Durham club is heavily in debt, and but for the fact that two gentlemen generously went down into their pockets for \$500 each, the club could hardly have been kept going as long as it has.

## Carries God's Message.

A trunk, that was a veritable preacher of God's word, was seen at the Southern depot Saturday afternoon by a SUN reporter. There were no less than ten scriptural quotations lettered up it as follows: "Jesus saves sinners," "God is love," "Jesus saves," "Prepare to meet thy God," "Christ died for the ungodly," "Look unto me and be ye saved," "Ye must be born again," "Look and live," "The wicked shall be turned into hell," "believe on Jesus."

## Running All Right.

The electric cars are now running on schedule time, all right, and come right up the connections as smoothly as clock work. Mr. L. O. Williams, an experienced electric car man, was made superintendent of the conductors and motor men a week ago, and under his management he has greatly perfected the system. He thoroughly understands the business and has the running of cars in fine shape.

Miss Lucy Tilley, of Chatham county, is visiting relatives near Bahama.

Dr. W. P. Holt, of Willardville, is very sick with typhoid fever.

Elder Peed, a Primitive Baptist minister, preached at Orange Factory on Sunday last.

D. S. Ball, of Bahama, is a Durham visitor today.

The Murphy Democrat says the seventeen-year locust was bouth seen heard in Cherokee county in May and June.

## AGRICULTURAL FREAKS.

### CURIOSITIES OF DURHAM COUNTY SOIL.

White Blackberries, a Green Rose and Tomatoes of a Huge Size.

When it comes to curious agricultural freaks, Durham is hard to beat.

Button Davis, who lives beyond the city cemetery, has gathered several quarts of perfectly white blackberries this summer. A lady from Raleigh who was here recently, succeeded in getting some of the berries and carried them home with her as a curiosity.

Mrs. George E. Lougee, Sr., has a most rare curiosity in the way of a rose with perfectly green petals. There is absolutely no scent about the rose whatever.

Capt. W. K. Styron gathered about a peck of tomatoes this morning from his garden on East Main street. In the lot were three tomatoes that measured 14, 12 and 10 inches in circumference, respectively.

### ALLEGED LYNCHER JAILED.

Tom Sparnell, a White Man 35 Years of Age, Taken on a Bench Warrant Issued by Judge Shaw.

SALISBURY, July 13.—The first arrest on the charge of participating in the lynching of the negro boys, Harrison and James Gillespie, the murderers of Miss Cornelia Benson, took place at 10 o'clock last night under a bench warrant issued by Judge Shaw for Tom Sparnell, a bar tender of this city. Sparnell is a married man and is 35 years of age. When arrested he offered to give bond, but Sheriff Julian necessarily refused to permit him to do so prior to his preliminary examination and he was accordingly committed to jail. The examination will be held by Judge Shaw at 9 o'clock in the morning, with Solicitor Hammer also present. Fifteen subpoenas have been issued for witnesses, including two sent to Gold Hill, which was the home of the prisoner before his coming here several years ago. Sparnell claims that he will be able to prove an unassailable alibi. Solicitor Hammer, however, in the course of the investigation of the lynching which he has conducted, as required by the act of 1893 for the punishment of lynchers, has already examined the witnesses who have been summoned and hence it may be assumed that he is in possession of evidence of a direct and positive character. Neither he nor Judge Shaw has yet arrived here, both being expected on the early morning trains.—Special to Charlotte Observer.

### On a Few Days' Trip.

Dr. N. M. Johnson and children, Misses Mary and Kate and Master Eric, left this morning on the 7 o'clock Norfolk and Western train for a trip to the north. Dr. Johnson will return the last of the week, while the others will doubtless remain a few days longer.

### North Carolina's Progress.

Danville, Va., Bee: North Carolina produces \$17,000,000 worth of corn, only \$15,000,000 worth of cotton and about \$7,000,000 worth of tobacco annually, all of which goes to prove that the Old North State is one of the most progressive in the Union.

James A. Perdue will leave this week, probably tomorrow afternoon, for Greensboro to spend a few days on business.

### Notice to Delinquent Tax-payers.

This is to give notice to all delinquent tax-payers who have not paid their city taxes by July 30th, I will be compelled to advertise their property for sale.

Please bear this in mind and govern yourself accordingly. J. R. PATTON, City Tax Collector. j 12 to 30.

## JUNIOR ORDER BARBECUE

To be Given at the Park on the 22nd.

The Junior Order United American Mechanics will have a barbecue at Lakewood park on Tuesday night, July 22nd. Supper will be served at 7 o'clock.

George E. Lougee, Sr., "Old Brunswick," will prepare the barbecue.

A number of ladies will be present and will greatly assist in making the occasion one long to be remembered and of enjoyment to all.

By having the barbecue at the hour mentioned above, it will enable all, both ladies and gentlemen, to reach home in ample time, without being out late.

### TOBACCO MEN.

Brief Notes of Interest About Handlers of the Weed.

W. R. Cooper left this morning for Marion, S. C., where he will be on the tobacco market during the season.

C. G. Mitchell, the American Tobacco Company's buyer on the Dillon, S. C., market, spent a few hours in Durham today en route to that place from Roxboro. He spent Saturday and Sunday at the latter place with his family.

L. O. Holloway left today for one of the eastern tobacco markets.

This week will witness a considerable influx of tobacco men from here and elsewhere to the tobacco markets of eastern North Carolina and South Carolina.

E. L. Bryan is located on the Manning, S. C., market for the season.

### To Attend the Bible School.

Mr. and Mrs. C. P. Howerton leave this week to attend the Montreat Bible School. This will be in session at that popular mountain resort from July 20th to some time in August. Revs. A. C. Dixon, L. G. Broughton and other noted preachers will be present and take part.
