DURHAM DAILY SUN.
MONDAY, JULY 14.
NEARLY CAME TO BLOWS.
Congressmen Latimer and Ex-Gov. Evans Have a Hot Exchange.
CHARLESTON, S. C., July 13.—At the campaign meeting of the six candidates for the United States Senate at St. George, Colleton county, today, there was a war of words which may lead to a duel between Congressman A. C. Latimer and ex-Governor John Gary Evans, two rival candidates. Mr. Latimer, in his speech, said that Mr. Evans had once been his friend. He was interrupted by Mr. Evans, who said that "Latimer betrayed me like a dog." Latimer in retaliation brought up a \$15,000 bond deal circulated during Mr. Evans' administration as governor.

Evans said in reply: "I denounce the man who repeats that rumor a liar."
The two men started toward each other; and there would have been an ugly scrap then and there had not Sheriff Owens rushed in between, insisting that the court room was no place for duels. To this Mr. Latimer agreed, and Mr. Evans remarked that there was plenty of room outside and plenty of time in the future.

This Will Interest Many.

Boy, Match, Gasolene.
CHARLOTTE, N. C., July 13.—As a consequence of bringing a negro boy, a match and gasolene together here this morning the city suffered a loss of about \$20,000 from fire. The fire started at 8:45 this morning in the Charlotte Drug Co., at Trade and College streets. The flames seriously damaged three buildings, the two adjoining the drug store being occupied as saloons. The flames were pretty soon under control. The buildings belonged to Mr. Sam'l Witkowsky. No exact amount of the loss can be given but it will be about \$20,000.

A Fireman's Close Call.
"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa, "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by R. Blackall & Son's Price 50 cents.

Rate to Hot Springs.
The Southern Railway will sell round trip tickets to Hot Springs, N. C., at rate of \$6.40, for all trains Saturdays and forenoons of Sundays, returning leaving destination not later than Monday following date of sale. All tickets limited to continuous passage in each direction. All tickets to bear across the face the words, "special week end."

G. DUSENBERY, Agent.
Senator McLaurin, of South Carolina, called on President Roosevelt at Oyster Bay. It is reported that the president tendered and McLaurin accepted a position on the court of claims.

"I have only the most distant relatives." "Has the family run out." "No; they have all become rich."—Indianapolis News.
The Same Old Story.
J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told by thousands of others. He says: "Last summer I had an attack of dysentery and purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used according to directions and with entirely satisfactory results. The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelly is a well known citizen of Henderson, N. C. For sale by W. M. Yearby.

KITCHEN HELPS.
If salt is thrown on a stove when the contents of a pot or pan boil over, it will prevent an offensive odor.
Before putting on milk to boil always rinse out the saucepan with water. This will prevent the milk from burning.
For greasy dishes a little soda in the water is a great help, and in washing glass a bit of blue in the water adds much to its brilliancy.
Salt and vinegar will be found the best for scouring the copper preserving kettle, and a lemon cut in halves and dipped in salt will remove all stains.
If in covering a kitchen table with oilcloth a layer of brown paper is put on first, it will prevent the oilcloth cracking and make it wear three times as long.
Wooden bowls make the best receptacles for washing fine glassware which requires careful handling. If two bowls are employed, the results are apt to be more satisfactory using one for washing and the other for rinsing purposes.
After peeling onions wash your knife and your hands in cold water. Hot water sets the odor of the onion instead of removing it. Then rub the hands and knife with a piece of celery or cut lemon, or even a raw potato, to remove the odor.

Ribbon Economy.
Economical women have learned the value of gasoline for cleaning ribbons, while others use suds made of soap bark chips. They should be rubbed between the hands until thoroughly clean, then examined and, if too badly faded to use again, dyed some darker shade with dye. White ribbons will take delicate shades of blue, pink and lavender. Light colored ribbons are pretty dyed cardinal red, but if they are too dark for that save them until you have half a pound or more and then color them black with dye for silk. No matter what color they are or how spotted or streaked, they will dye a good black. Rinse thoroughly in several warm, soft waters until the last rinsing water is left clear; then smooth the ribbon between the hands and wind over a wide piece of stiff cardboard. When all has been wound around, place it between soft cloths and put it under a heavy pressure. When taken out, it will be smooth and look like new. Another way to manage them is to hang them in the open air until about half dry; then cover them with cheesecloth or some other thin material and iron with a moderately hot iron.

The Children's Hour.
Our quiet hours with our children should first of all be cheerful hours. Sydney Smith has said: "If you make children happy now, you make them happy twenty years hence by the memory of it." I believe this to be quite true. We should make the hours with our children full of joy, then twenty years from now we, too, can recall how happy they were, how we heard their merry voices and watched them play, and we can look with pride on our children, whom we loved and who went to Grown-up Land. Then, too, the quiet hours with our children should be loving hours. How much the small touches of a mother's love mean to the child! Even if it is only to whisper to your son as he starts to school, "Remember, mother is thinking about you all day and expecting you to be a good boy," how much better the effect of such a farewell than to hurry him away with some sharp and nervous rebuke.—Mothers' Journal.

Origin of Domesticated Dogs.
The Eskimo dog is derived from the wolf. Doubtless the first dogs which were trained to serve mankind were the jackals of Asia, which are to this day very intelligent and docile when tamed. There was a kind of dog kept by the ancient Egyptians which was evidently obtained by breeding from slenderly built species that is wild in Africa at the present time.

Heartburn.
When the quantity of food taken is too large or the quality too rich, heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours elapse between meals and when you feel a fullness and weight in the region of the stomach after eating, indicating that you have eaten too much, take one of Chamberlain's Stomach and Liver Tablets and the heartburn may be avoided. For sale by W. M. Yearby.
