BOY LOCKED UP.

Tried to Sell Property That Was Stolen.

James Thompson, a white boy, was arrested today shortly before noon and carried to the police station by officer J. T. Giddens.

The boy had two pairs of driving lines and a buggy whip, which it was believed that he had stolen. He stated that a man whose name he did not know had given him the whip, and that one pair of the reins were his and the other his father's. Alfred Thompson, the boy's father, stated that he had no reins. It was found by the police that a man by the name of Rhew had lost some property answering the description of a portion of that found in the boy's possession.

The boy will be tried before the mayor Monday morning.

Death of H. L. Capps.

The funeral services of H. L. Capps, colored, who died Friday night about 11 o'clock on Pine street, took place this afternoon at 4 o'clock, from his late home. Consumption was the cause of death.

Deceased had for many years been a member of the Excelsior Hook and Ladder Company, of this city. The members turned out in full uniform and in a body to do honor to their deceased brother.

For a number of years Capps was known by many of our citizens, both white and colored, all of whom will regret to hear of his death.

Durham Won the Game.

The game of ball between Roxboro and Durham on Friday afternoon resulted in a score of 13 to 2 in favor of the last named.

Batteries: Roxboro, Giles and Nichols; Durham, Morris and Curran.

Roxboro's runs were made in the second and third innings, and after this the home team scored runs in every inning. Norton, of Durham, knocked a home run. Max Summerfield made a sensational play by catching a hot ball with one hand, jumping to do so.

Another game was arranged to be played between the teams this afternoon.

Died at the Hospital.

Miss Jennie Cothran, of West Durham, died at the Watts Hospital this morning of typhoid fever, after an illness of a few days.

Deceased was about 25 years of age, and leaves several relatives and a number of friends to mourn her death.

The remains were carried to Rongemont on the 4:55 Norfolk & Western train this afternoon for interment.

A Number Expected.

It is expected that quite a crowd will come over from Roxboro next Tuesday morning and go on Christian & Weathers' excursion to Norfolk. L. S. Christian has succeeded in getting the Norfolk & Western road to offer a round trip rate of \$1.25 from Roxboro to Durham and return, ten or more on block ticket. As first-class fare is \$1.10 each way the above will be a saving of 95 cents to all Roxboro people who may desire to take in the excursion.

Sunday School Outing.

The West Durham Baptist Sunday school will have an ice cream supper tonight on the lawn in front of the church. The children were asked to meet at the end of the car line at 5 o'clock to go with the crowd to Lakewood Park. The ice cream supper will be on their return.

A SWINDLE THAT WORKED.

Engineer of Eco Cotton Mill Does Company About a Thousand Dollars.

At the term of the Superior court in Hillsboro, a swindling game was heard, in which two of the parties concerned were sentenced to terms on the roads, but the principal had escaped. This was J. A. Andrews, engineer of the Eco Cotton Mills, against whom the grand jury found a true bill.

The swindle, which cost the company fully a thousand dollars, was worked in this way. Andrews would issue wood tickets two or three times in excess of the wood received by him as engineer. The parties would cash in the tickets at the treasurer's office, and it is supposed, divide with Andrews. The grand jury's bill against him is for forgery.

To the Public!

We are ready now to furnish the public with the best grades of flour. We are in the milling business for the purpose of supplying this community with the best grade of flour and if you will allow us to do so, we shall endeavor to please you in every particular.

At considerable expense we have equipped the best mill in the South, and we are buying the best wheat in the market. We have an up-to-date A1 miller, and now there is nothing lacking but your patronage to make the enterprise a success, and we hope to merit this.

Our brands are Peerless, with the figure of General R. E. Lee, mounted on his famous war horse Traveler.

And Banner, with the Confederate flag as our trade mark. In our judgment the two brands represent the best flour making.

Our up-to-date corn meal is like our flour, we think the best.

Every grain of the corn is thoroughly scoured before it is ground, then the meal is all purified after it is ground. We are in the market, we hope and believe with the best in our line, and on this basis ask the patronage of this community.

Hoping to have the good fortune of winning and keeping your favor we remain Very Truly Yours,
