**SERMON ON AMUSEMENTS**

**PREACHED SUNDAY NIGHT BY MR. CUNNINGGIM.**

**We Have No Right to Enter Into Such That Turn Us From God --To Preach on Dancing.**

A large congregation was present at Main Street church Sunday night. Rev. W. L. Cunninggim, the pastor, chose as his subject, "In what amusements may we not engage?" The text was from Ecclesiastes 11th chapter and 9th verse—"Rejoice, O young man, in thy youth; and let thy heart cheer thee in the days of thy youth, and walk in the ways of thine heart, and in the sight of thine eyes: but know thou, that for all these things God will bring thee into judgment."

We understand by amusement that which turns aside from the usual vacations of life. Many think of how to have a good time. God has given us a great many things to enjoy. Get all the good and enjoyment you can out of life, but with a view of God's judgment. Get rid of all the trouble you can and have all the pleasure you can, but don't forget God. We must not enter into any amusements that trample upon the rights of our fellowmen. We have no right to enter into any amusement when others have to pay for it. We have no right to make people foot bills without their consent. We have no right to engage in amusement when it interferes with service; no right to engage in amusements that disqualify us in our moral obligations to our fellow men. By doing certain things, it may cause others to do wrong. Paul said, "If eating meat maketh my brother to offend, I will eat no more meat while the world standeth."

In engaging in amusements, we must not take that class that makes us not what God intends us to be. We have no right to engage in amusements that tend to weaken the powers of life, the body, the intellect, etc.

There are a sufficient number of amusements that help us; many in which we can engage that do not impair us. We have no right to engage in anything that impairs character, etc.

The above is only a brief synopsis of the sermon. At the beginning of the sermon, Mr. Cunninggim announced that on next Sunday night he would preach on the subject of dancing.
