TUESDAY, NOVEMBER 4.

THE shouting will take place to night.

THE prospects of some men are so fine that they cannot be seen.

ATLANTA is to get a new passenger depot at last. There is hope for Durham.

IF the election in Durham had heen on the issue of a union depot, the thing would have gone unanimous.

the North Pole in motor cars adapt- lurch with a house full of company ed for ice travel. This looks very to spread her new plumage and go much like an advertising device of on an excursion. She takes long the poor dealer. some automobile company.

THE chestnut and acorn crops are immense this fall. Does this mean that we are to have a hard winter? Gee whiz! and the miners still on a strike and coal selling on prescription.

DR. ARTHUR JATHAM, of England, has been awarded the first prize of \$2,500 for the best essay on the proposed King's Sanitarium for tuberculosis. Dr. Latham believes in the fresh air treatment.

THE hardships endured by the Doukhobor fanatics on their remarkable pilgrimage-hunting for what they call "the New Life"-have al ready caused the development of one case of violent insanity. It is difficult to come to any other con clusion than that a mild form of insanity pervades the entire band. History furnishes no parallel to their actions since the days when Peter the Hermit, led men, women and children out to perish by thou sands in a vain quest for the Holy Land, in what is known as the First Crusade.

vailing conditions. A CHAPTER ON COOKS. Durbam is wrestling with the ser

rant girl problem in an aggravated form. White help is not obtainable and the colored variety is so unreliable that many feminine heads of

trike conditions. We advance this

serely as a true statement of pre-

households in our town are constantly on the very verge of nervous collapse. They seek their beds at night

exhausted and awaken in the morning in dread, listening in nervous

apprehension for the familiar rattle of skillets and pans that speak safety ful of food at them.

for one more day at least. You often hear the remark, "we are without a cook," and the keen suffering of it

pierces your very vitals if you are in the least degree sympathetic.

The habits of the colored serving exasperating. She is hard, impervious and ungrateful. You can waste months of effection on her, load her

down with costly gifts, myrrh, jewels, gold watches, last summer's silk shirt waist and the very next

A PARTY of Canadians will seek Sunday she will leave you in the and unexpected leaves of absence,

and delights to turn up missing when the head woman of the house a sick. A festival will incapacitate her for three days and an exhibition lays her out completely.

Yes, dear reader, the cook question is just as serious a question with

the women as the coal question is with the men.

Dry Yo' Eyes, My Honey.

Rainy day don't come ter stay: Dry yo' eyes, my honey!

Win''ll blow de clouds away: Dry vo' eyes, my honey! Way up yander in de blue, Think dat sun is drowned in dew? Playin' hide-en seek wid you :---Dry yo' eyes, my honey!

Vi'let in his Sunday close: Dry yo' eyes, my honey! Hit's de rain dat make de rose: Dry yo' eyes, my honey! Cryin' lak yo' heart would break W'en de rain sich music make Dat de birds gits wide awake !-

In a Few Words

A Chicago paper admits that New York horse show beat Chicago's by about two barrels full of diamonds. Out in Indiana a few days ago a shorus girl toppled over in a dead faint because she saw the ghost walk. A Pennsylvania burglar robbed a coal company. How many of the black diamonds he took has not yet

een made public. For some time to come turkeys will be casting suspicious glances at people who begin to chuck hands-

Chairman Babcock now only laims 14 republican majority in the next house. So he will not have far to fall when the returns upset his perch tonight.

A Connecticut boy who was accidently shot afterwards coughed woman are as peculiar as they are up the bullet. Seems a pity that a boy with a turn like that couldn't be put to coughing up money.

A Pennevlvania farmer reports having captured a two-headed snake. It is not an unusual thing for them to be seen, but this is the first one bats, and year before last's green that has ever been captured.

The coal barons explain that that 50 cents increase in the price of coal only comes out of the dealer. But wait until you see your coal bill before you begin to sympathize with

The silence that comes from the Hon. Hank Watterson's sanctum would seem to indicate that he simply can't find words with which to express his opinion of the way Mr. gel, is not taking any personal Cleveland has butted in.

"Scryptimania" is the latest affliction to make its appearance. It ap- the elongating process .- Washingplies to the fellows who have plenty ton. of money or rich parents and who are so thoughtless as to sign' other people's names to checks.

The Ohio State Federation of Women's Clubs is in a bad way. A proposition was made to have the delegates appear in convention without hats, after they had purchased "a love of a hat" for the occasion.

Didn't Want Seed.

One of the packages of seed provided by the Department of Agriculture was returned to a member of Congress by one of his constituents, with the following modest remarks:

"I appreciate your good will in sending the seeds, but my eldest daughter, Matilda, is going to marry the doctor down the . village next month, and wife and I think of giving up the farm and going there to

live. If we do, the seeds won't be

much good, as we shan't have a

garden, so if you could change them

for some stockings, No. 9, and some

handkerchiefs, or a nice bonnet for
