Death of a Little Child.

Martha Hazel, the eight-months old daughter of Mr. and Mrs. R. E. L. Holt, passed away Thursday night at 8:10 o'clock, at the home of her parents, on Mangum street, of stomach trouble and a complication of diseases. She had been sick for several days.

The funeral services took place from the residence this afternoon at 3 o'clock, conducted by Rev. E. R. Leyburn, pastor of the Presbyterian church. Interment was in the city cemetery.

The bereaved parents have the sincere sympathy of all their friends in Durham and elsewhere in their sorrow.

A Lively Chase.

There was a lively chase this morning after the Southern's west bound passenger train by two negroes who had gotten left. They took out up the track behind the train. One of them succeeded in getting on board, but the other was not so fortunate. It is frequently the case that people who get off the cars and mingle with the crowd on the depot platform, let their trains pull out before they are aware of the fact.

Proud of His Victory.

Mr. Jones Fuller went down to Raleigh a day or so ago to spend a short time. The News and Observer has the following to say of him: "Mr. Jones Fuller, the member-elect to the House from Durham county, is in the city, and is receiving congratulations from his hosts of friends. He is a native of Raleigh, and the people of this city are proud of his victory in the hotly contested fight."

To be Sworn in Next Month.

The successful county candidates will be sworn into office on the first Monday in December. On and after that time the board of county commissioners will consist of five members instead of three, as at present. All of the candidates elected have been officially notified by J. S. Manning, chairman of the board of elections for Durham county.

Spoke in Winston.

Dr. J. S. Bassett, of Trinity College, addressed the Wachovia Historical Society in Winston last night. Dr. Bassett is a most entertaining and able speaker, and no doubt had a large and cultured audience out to hear him.

Visits Person Next Week.

E. D. Woody expects to visit Roxboro next week, during court. He will doubtless meet quite a number of his old friends there then. Several attorneys and others from the city will also be there during court, which begins Monday.

THE MAN FROM MEXICO.

A High Class Theatrical Company Coming Next Monday Night.

Leslie Morosco, (whose picture is given above,) who is playing in "The Man From Mexico," has unearthed a new deadhead excuse. In a western trolley car the other day he resigned his seat in favor of a pretty girl and the same evening this note came to the theatre: "Dear Mr. Morosco:—You gave me your seat in the trolley car today. Will you kindly give me two seats for your play tonight." "The Man From Mexico" will be at the Opera House next Monday night.

Entertained at Dinner.

Mr. and Mrs. W. C. Bradsher entertained at dinner at Hotel Carolina Friday evening, Mr. and Mrs. C. A. Walker and Miss Della Walker, Messrs. Sheldon Vaden and Will Morris, of Richmond, Va., and Mr. and Mrs. C. B. Alston, of Durham.

The dinner was a highly enjoyable affair, and prepared in the Carolina's best style, for which this excellent hotel is famous. This social affair was one of the many that have been given in this city to Mr. and Mrs. Walker and Miss Walker during their visit here this week.

Big Crowd Next Week.

John L. Scoggins, of Roxboro, was here this morning and left for Reidsville on a visit. He said that a tremendous crowd of people were expected in Roxboro Tuesday of next week, as Main's circus would be there on that day and Person Superior court would also be in session. Mr. Scoggins says that the Democrats of Person are rejoicing greatly over their splendid victory, as it is the first time in a number of years that the entire Democratic county ticket was elected.

Won a Splendid Victory.

The Sun some time ago, when Mr. J. Crawford Biggs was chosen as chairman of the Democratic executive committee of Durham county, said that no mistake was made in the selection. This is more forcibly demonstrated now than ever, for the splendid Democratic victory in this county was greatly due to his untiring efforts in the campaign. Durham county has never had a Democratic chairman that worked harder than he did, and the Sun congratulates him.

Noon Issue Monday.

The Sun force has signified their desire to attend the circus Monday afternoon, and to give them that pleasure the Sun will be issued about noon on next Monday. Persons having changes of ads., or business locals will please hand them in by 9 o'clock Monday morning—not later than that hour.

A Small Court.

One small case was all that the docket of the police court contained this morning. John Whit and Joe Barbee were up on the charge of an affray. Whit was fined \$2 and half cost and Barbee was let off on payment of half cost.

PLAY IN RALEIGH.

Large Number of University Students Went Down Today.

About one hundred students from the University of North Carolina passed through Durham this morning going to Raleigh to witness the game of football between the University and Agricultural and Mechanical College this afternoon. The game was to have been called at 3:30 o'clock, at the fair grounds.

An extra coach was attached to the east bound train this morning, but there were considerably more than this coach would hold.

Among the Durham boys, students at Chapel Hill, who went down, were Lathrop Marchant, Claborn Carr and Wesley Boddie.

The game this afternoon is for the State championship, and is expected to be a hotly contested one. As the Sun goes to press before the game is finished, it is impossible for us to give the score this afternoon.

Cool Wave.

A decided cool wave struck Durham early this morning. The temperature ranged several degrees lower than on Friday. In the West, especially the Missouri Valley region, the minimum temperature ranged from 5 to 10 degrees above zero. This is doubtless where our cooler weather came from this time.
