ADAY OF SPECIAL PRAYER THE SANFORD EXPRESS P. H. ST. CLAIR PUBLISHERS

FRIDAY - - October 26, 1917

THIS IS OUR FIGHT. lution of Congress. The Presi

other States, but in this State. and especially in this immediate section, there are many loyal, patriotic people who have not yet come to a full realization not been impressed with the real situation. They are prone to look upon the war preparations thick of it. Many of them expect the war to end before next ca's fight. Others, while admitting that we should help make

The trouble with them is, they have not reached an appreciation of the real dangers that threaten this country. Harry Lander. the famous Scotch comedian. who is in this country to help make the American people realize the truth about the war said in a speech a few nights ago in New York City that we would not know what this war really means until the first hospital ships come back laden with our soldiers who will never hear or see again. Then, he says, we cause for which we give our lives will realize what America is up and treasure may triumph and against. Lauder knows what war achievement." means, for his only son fills a soldier's grave in Flanders. "Don't think you are coming to fight for Britain, for France, for Belgium," he cried. "'You are coming to fight for yourselves."

These are truths that need to be impressed upon many people them to show it. If they don't who have not thought much subscribe for this loan and lend about what the triumph of Prussianism might mean to us. As Lauder says, we are going to fight for ourselves, not simply to tude of 'let the other fellow do it, lend a helping hand to the allied is a friend of Germany, and I ations. If Germany should sch the line which nglish and the Scoton are nolding on the west- untruly. The bond can be bought ern front, as she has been on the point of doing several times, she would stand a good chance

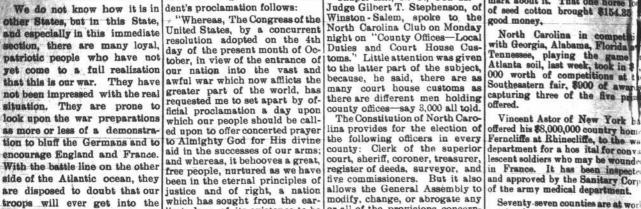

navy, and the war would be brought to the western hemisphere.

Yes, indeed, this is our fight, and it may prove to be a long To the Publishers of The Express: one, Who knows? In the neighborhood of 1.000.000 Americans are now in training for the great task shead. These young men will be drilled into effectiveness. All of the tactics of modern war will be taught them by trained

soldiers. They will be prepared
