

The Sanford Express

THURSDAY, MAY 29, 1930.

LOCAL BRIEFS.

Mr. V. L. Rice, Jonesboro Route 4, brought to Sanford last Monday morning a hawk which he shot the day before. This hawk was almost as large as a small sized eagle and measured 4 feet and 4 inches from tip to tip of its wings. This wicked looking talon and dark looked as if they were capable of doing destructive work among young chickens.

The King Manufacturing Company has secured the contract for roofing four buildings at the East Carolina Teachers Training College at Greenville. This company also has the contract to put the roofing on the new Sheppard Library Building in that town. Although building activity is quiet at this time, the King Manufacturing Company seems to be kept busy with contracts in this and other states.

Mr. and Mrs. Ernest Harrington, of El Paso, Tex., announce the birth of a daughter, Catherine Lou, May 18th. Mr. and Mrs. Harrington are former Lee county people. Mr. Harrington went to Texas for asthma and is much improved. He is a subscriber to The Express and writes that he and his wife read everything in the paper each week and have never missed a copy.

His friends and relatives in Lee county will be pleased to learn that Mr. Alton Melver, former clerk of the Court of Moore county, who has been quite ill at his home in Carthage for the past few weeks, is now improving. He is still confined to his room but it is hoped that he will be out soon. His son, Walter Melver, who now makes his home in New York, recently returned to see his father.

The Southern Sand and Gravel Company, which recently passed into the hands of a new concern, has received in a new bridge at Kinston. This freight along with much other shipments of gravel from the gravel pits in Harnett county, will be handled over the Atlantic and Western Railway. This road is now handling more freight than at any time in its history.

There being no preaching at the Presbyterian church last Sunday morning on account of services at the Auditorium of the Sanford High School in connection with the commencement exercises of the school, Dr. R. C. Gilmore, the pastor, went down to Laurinburg and preached to the Presbyterians at that place. He also spoke to the men's Bible class at the Sunday school hour.

Chatham County Rural Mail Carriers recently held a meeting at Siler City. A number of carriers were present from other counties. The meeting was addressed by Postmaster John W. Gilliam, of Sanford. A motion was made by Dan Hall, of Burlington, and carried, to consolidate the Association of Burlington, Alamance county, with Lee, Moore and Montgomery counties. All carriers in these counties are invited to Lakeview on May 30th, for a picnic dinner.

The Express is informed that boll weevils are now found in the young cotton in the Broadway section. This is about the earliest they have appeared in cotton in this part of the cotton belt. They are no doubt "left overs" from last year. The little pest did its destructive work in this section last year and should this be a wet summer the farmers may again expect great damage to the crop unless they poison the pest by spraying. It looks as if they will have to do this if the insect to make a crop.

The board of directors of the Fitts-Crabtree Manufacturing Company met last week to take steps to elect a secretary-treasurer of the company to succeed Mr. W. H. Fitts, whose death was noted in the last issue of this paper. It was decided that Mr. W. H. Fitts, Jr., and Miss Glenn Ross, who has been with the company for a number of years, should handle the business till the regular meeting of the board of directors in July, at which time a secretary-treasurer will be elected.

Rev. S. A. Cotton, pastor of Steele Street Methodist church, and Dr. M. L. Matthews, an official of the church, have returned from Dallas, Tex., where they spent three weeks in attendance upon the annual meeting of the General Conference of the Southern Methodist church. It was a great trip and they have much to tell their friends about what they saw and heard. While Dr. Matthews enjoyed the stay in Dallas, he is not much "stuck on" Texas, and says it rained most of the time they spent in that state. He says much of the young crops in that section of the Lone Star State was under water.

Circle 4 of the Baptist Missionary Society had a most delightful meeting at the home of Mrs. Leslie Fox Monday after a short business meeting and program. Mrs. W. A. Bingham, Mrs. N. W. Vick and Miss Dorothy Fox assisted the hostess in serving a delicious fruit salad course, ham sandwiches and iced tea. Those present were, Mrs. E. D. Nall, Mrs. C. D. Woodall, Mrs. E. W. Vick, Mrs. W. R. Hartman, Mrs. E. L. Gavin, Mrs. Minnie Proctor, Mrs. Ledbetter, Mrs. Coggin, Mrs. Emmet Cheek. The visitors included Mrs. W. A. Bingham and Miss Dorothy Fox, a niece of the hostess.

Cards have been mailed to the members by Secretary Duncan M. Duncan, of Rock Hill, S. C., which states that the 10th annual reunion of the Murchison Clan will be held at the Baptist Assembly Hotel at Ridgecrest, Saturday, July 5th and last through Wednesday, July 9th. Conference rates, \$2.00 per day. This covers all expenses. Annual banquet 6:00 P. M. July 5th. No speeches, just good fellowship. 100 members of the Clan are expected. Just tell the secretary when you will arrive and how many in your party. This is the second time that the reunion has been held at Ridgecrest. The usual holiday hours will be observed at the Sanford Postoffice Friday, May 30th, which is a National holiday, better known as Memorial or Decoration Day. One delivery in the city will be made but none on the rural routes. The windows will be closed the entire day but regular train and store route receipts and dispatches will be as in other week days.

Mrs. J. C. Watson, of the Princeton-Brogden School, came home Saturday to spend the summer with her family at Roadside Farm. It seems that Sanford is to have another baby golf course. It is being built on the lot owned by the McPhall Green Houses between the Carolina Hotel and the Temple Thea-

tre. It would seem that this is a money making business if one is to judge by the number of these places of amusement now being opened in every city, town and village in the country.

Two Sanford boys received awards in the special recognition given students at the University. June Gunter, Jr., was one of the 39 to win Phi Beta Kappa keys, and Ashley Sewell, was one of the 23 student newspaper men to receive special recognition. He is a member of the business staff of college magazine.

County Road Superintendent Gunter tells The Express that he has just finished the construction of a road from Carthage to Euphonia church, a distance of four miles. That road will open up a good section and prove a great convenience to the people living in that part of the country. Mr. Gunter is now constructing a road from a point near the Avents Ferry bridge across by Salem Quarters to the Hinesley school house, a distance of three miles. It is believed that this road will help to restore a number of abandoned farms.

Last week The Express asked if any one knew of any old ashchoppers in Lee county. Since making the inquiry we have heard of one. It belongs to Mrs. B. C. Kelly, who lives near Jonesboro. She makes very fine laundry soap from lye made in this old hopper. The most interesting thing connected with the history of this old ashchopper is that years ago it was used as a mill hopper by the late "Hatter" Kelly, who for years owned and operated a mill at Jonesboro. The older citizens of this section will no doubt recall the days when they had corn and wheat converted into meal and flour at this mill. These old fashioned mills have disappeared and in the march of progress the fast modern mills have taken their place.

Dr. Warren W. Kay, president of St. Mark's School, Raleigh, who delivered the baccalaureate sermon at the Commencement of the Sanford High School last Sunday morning, was accompanied by Mrs. Way. Rev. and Mrs. R. G. Shannnonhouse, of Hillsboro, were also present. All were guests of Mr. and Mrs. W. W. Roberts.

Mr. A. M. Gunn has for the past week or two been quite sick at his home on Hawkins Avenue. His many friends will be pleased to learn that he is now improving.

The first dewberries of the season were put on the local market this week. They seem to be good sized and well developed. The first of the crop is now being gathered and it is expected that small shipments will be made from Jonesboro the last of the week by express. The growers plan to ship a car from Cameron this week. There is a good yield, but as many fruit growers have quit the business the shipment will not be large. It is thought that the prices will be good.

Miss Alice Weatherspoon, who holds a position with the Blind Institute, in Raleigh, arrived here last week and will spend the summer with the family of her sister, Mrs. G. W. Temple.

Thirteen candidates for membership in the First Baptist church were baptized by the pastor, Rev. Frank C. Hawkins, last Sunday night.

Mr. A. C. Hughes was stricken with paralysis at his home here last Thursday and has since been in a critical condition. This is the second attack Mr. Hughes having been stricken a few years ago but was able to be out.

STATEWIDE BAPTIST SUNDAY SCHOOL CONFERENCE AT MEREDITH COLLEGE JUNE 4 TO 6

Beginning Wednesday night, June 4th and continuing through Friday night, June 6th, will be held at Meredith College the annual Baptist Sunday School Conference. This will be a season of information and inspiration for all Sunday School workers which they can ill afford to miss. The Conference will be directed by Secretary Perry Morgan of the Sunday School Department of the Baptist State Convention. Southwide speakers and leaders, such as Messrs. B. W. Spillman, W. A. Harrell, Homer L. Grace, Miss Margaret Frost and many others, will appear on the program. Make your plans now to attend this Conference, and report to us at Sunday School June 1st that you are going. Let us have a large delegation from the Baptist churches of Sanford. Sincerely yours, S. J. Husketh.

CARD OF THANKS.

We wish to acknowledge through these columns with grateful appreciation the many kind expressions of sympathy from our friends in the loss of our husband and father. Signed: Mrs. W. H. Fitts, W. H. Fitts, Jr.

JONESBORO NEWS LETTER

BY MRS. J. R. DALRYMPLE.

Faculty Entertained

Misses Blanche and Myra Godfrey were joint hostesses at a delightful party on last Wednesday evening when they entertained at four tables of Bridge and three of Rook honoring the faculty of the Jonesboro School.

On the spacious porch the guests were served delicious punch by Miss Elizabeth Avent and Flora Wyche, after which they were ushered into the living room and parlor where attractive tallies were passed by Miss Vivian Avent. A profusion of postel shaded delphinium, lilies, and roses were used throughout the rooms, forming an attractive setting for the games which were entered into with zest. The bridge and rook tables were most attractively appointed, green and white mints in crystal holders being enjoyed during the play. Ladies high score prize in bridge a lovely party handkerchief was won by Miss Maude Hunter, the gentleman's prize, a deck of Congress playing cards going to Mr. Ray Byerly. Ladies prize in rook, a string of costume beads, was won by Mrs. Wilbur Godfrey of Sanford. Mr. H. M. Jackson won the gentleman's prize a deck of rook cards. A delightful feature of the evening was the violin numbers played by Mr. Jack Connell of Sanford.

Mrs. C. A. Godfrey, Mildred Campbell and Vivian Avent assisted the hostess in serving pineapple cream and cake. Dainty sprays of for-get-me-nots graced each plate.

Those enjoying the delightful affair were Supt. and Mrs. T. L. Lanfer, Misses Elva and Kate Bryan, Alta Dewar, Frances Roberts, Allene Hunt, Eloise Bass, Norine Sowers, Ellie Ford Hinson, Alice Currie, Alice Parker, Nell Gibbs, Melba Stroup, Maude Hunter, Mildred Campbell and W. H. Dewar, additional guests were Misses Bess Barnes, Vivian and Elizabeth Avent, Flora Wyche, Mesdames C. A. Godfrey, Wilbur Godfrey, Messrs. J. K. Barnes, Claude Avent, Ray Byerly, H. M. Jackson, W. H. White, Jack Connell, Mr. Fussell.

Undergoes Operation

The many friends of Miss Rosalie Rives will be interested to know that she was operated on for appendicitis at Central Carolina Hospital Sunday, and is getting along nicely. Miss Rives has been teaching in Atlantic the past year and had only been home a few days when the attack came on.

Called Home Miss Frances Roberts, teacher of the first grade in the Jonesboro School was called to her home in Shelby last Sunday night on account of the accident of her three year old brother which occurred at his home in Shelby. It seems that he ran out in front of an approaching car and was struck and hurt about the head. The many friends of Miss Roberts hope to hear favorable news.

Attend Funeral at Lilesville

Mr. and Mrs. W. G. Watson, Mrs. W. S. Temple, Master W. G. Temple and Messrs. Jno. A. Dalrymple and J. K. Barnes attended the funeral of Henry Dabbs of Lilesville last Sunday. Mr. Dabbs was a young man twenty-two years of age and had just returned home from college for the summer vacation, when he became ill with a carbuncle. He was rushed to the hospital where it was found that blood poison had already developed and he died within a few days. He is survived by his parents and several brothers and sisters. His sister Miss Ruth Dobbs is well and favorably known here where she taught in the graded school for a number of years.

Play a Success

The Senior Play entitled "Dust of the Earth," was presented by the class last Friday evening as a closing number on the commencement program. The characters were well suited to their parts and the entire play was enthusiastically received by a large audience. Mrs. W. H. Campbell and Miss Melba Stroup who directed the play desire much credit for the splendid coaching. The play was repeated in Sanford Wednesday evening for the benefit of the Masonic Club.

Annual Birthday Party

At the regular meeting of the Woman's Auxiliary of the Presbyterian church on Friday evening May 30th, a pageant will be given. At this time the annual birthday party will be observed. The public is invited to attend.

Circle Meetings

Circle No. 2 of the Belle Barnes Missionary Society met Monday evening with Mrs. Preston Cox, the

chairman, Mrs. L. L. Thomas, presiding. After the devotion conducted by Mrs. E. M. O'Connell, Mrs. J. P. McDavid gave a very interesting talk on the subject "Training children in Country Homes".

At the close of the meeting Mrs. Cox served cream and cake. Circles Nos. 1 and 2 were entertained Tuesday evening at the home of Miss Lonnie Campbell and mother, Mrs. T. N. Campbell. Mrs. T. E. Wyche conducted the devotion for both circles and Mrs. Mary Thomas had charge of the program. Each circle conducted a very full business session, after which cream and cake was served.

Picnic Supper

Mr. W. H. Dewar, popular member of the High School faculty, entertained the members of the boys and girls basketball teams at a delightful picnic supper at Palmer's pond last Monday evening. Swimming was enjoyed and a general good time was had. Mr. Dewar's work with the athletic teams was outstanding. He instilling in each member of the team the spirit of good sportsmanship. Mr. Dewar's record as a fine disciplinarian was greatly appreciated by the patrons and it is a matter of keen regret that he will not return to Jonesboro next term, but will take the principalship of a school in Randolph County. The best wishes of a host of friends will follow Mr. Dewar in his new field of work.

The Woman's Missionary Society of the Baptist church met last Monday afternoon at the home of Mrs. H. A. Mayo near town. The devotion was in charge of Mrs. J. E. Adams, after which an interesting program followed. There was a rood attendance and the meeting an enjoyable one. At the close of the meeting, Mrs. Mayo, assisted by Louise Mayo, served a delicious sweet course.

Mrs. J. L. Pierce has returned to her home in Raleigh after a visit with her sister, Mrs. J. L. Covington.

The many friends of Mrs. A. A. Harrington, of Fayetteville regret to know that she is seriously ill. Her sisters in law Mrs. John W. McIntosh and Mrs. C. G. Petty of Sanford were called to see her Wednesday.

Friends of Miss Mabel Saunders have received invitations to the graduation exercises of Meredith College. Miss Saunders is a member of this year's graduating class and is to be congratulated upon her fine record at Meredith.

Mr. W. R. Pegram and son Wm. of Raleigh and Charles Stephenson also of Raleigh visited Mrs. J. D. Pegram Sunday. The many friends of Mrs. Pegram are glad to know that her condition shows some improvement.

The many friends of Mrs. J. M. McCaskill regret to know that she was called to her home near Carthage Monday on account of the serious illness of her mother.

Mr. R. B. Cole and son R. B. Jr. of Washington, D. C., spent Sunday with Mr. Cole's mother Mrs. J. B. Cole.

NOW IS COMING THE TIME TO —

MOP UP!

The best article we have seen recently on Poisoning Boll Weevil was that in last week's Express by Mr. Coker. We Now Have Already Mixed Calcium Arsenate and Molasses in The Right Proportion to Add One Gallon Water to Each Gallon Poison.

According to Mr. Coker's article, take the mixture with a mop about three inches wide and go down the row dragging so that a drop or so of the mixture will be on the under side of the leaf on each stalk of cotton. This Must Be Done Before Squares Come to be most Successful. The mop should be tied to a handle about two feet long for most convenient use.

Advertisement for The Ford Truck. Text: "THE FORD Is a strong, capable truck. When you examine the chassis, you will see many features that contribute to its reliability and performance. An example is the new rear axle. It has a spiral gear bevel of special truck design, with straddle mounted pinion. The housing is of exceptionally sturdy construction. Axle shifts are heavier than formerly, and because of the three-quarter floating type of construction, they serve only to turn the wheels, without carrying any of the weight of the truck or load. The 4-cylinder engine is of simple design, and will give long, reliable service. It develops 40-horse power at 2200 R.P.M. A 4-speed transmission provides abundant power for pulling heavy loads out of pits, and makes fast runs possible at economical engine speeds. A feature you will find of special value is the new wheel and tire equipment, with dual rear wheels available at small additional cost. With the dual wheels, balloon tires of one size are used throughout, so that all six disc wheels and tires interchangeable all around. Only one spare need be carried. Brakes on the front wheels have been increased from 11 inches to 14 inches in diameter, making them the same size as those on the rear. This results in a high degree of safety. Brakes are of the mechanical type, internal expanding, and are fully enclosed. The front axle is twice as strong as formerly. The front spring is heavier, with wider leaves. Front radius-rod is heavier, and king pins, wheel bearings and thrust bearings are larger. Throughout the chassis, you will see many other examples of the high quality which is built into the Ford truck. Come in and let us show you why this truck is a value far in excess of the price."
