The menu consisted of fried chicken, potato salad, deviled eggs, olives, pickles, sandwiches, rolls, iced tea and coffee, homemade strawberry ice cream and cake.

When scores were counted it was found that Mrs. Charles L. Scott was winner of high score prize, a deck of cards. The only visitor was Mrs. H. F. Edwards, of Panama City, Fla., former popular member of the club.

Elerian Club.
Never have the members of the Elerian Club enjoyed a more delightful meeting than on last Wednesday when Mrs. A. G. Carter was hostess at her charming country home, Hillan Dale, which was more than ordinarily beautiful in all the freshness of spring.

Masses of flowers were arranged in the living and dining rooms, giving a charming touch to their old fashioned beauty. The subject of the program was "Modern Art" and there were two delightful papers, "French Impressionism," by Mrs. C. E. Teague and "Modern American Artists," by Mrs. Sam McEwan.

Following the program the guests were invited for refreshments to the lawn, where tables and chairs were arranged in a setting of towering trees, luxuriant shrubbery, and old box woods. Assisted by Mesdames P. J. Barringer, R. E. Bobbitt, Dan B. King and C. E. Teague, the hostess served delicious baked ham, congealed vegetable salad, cheese wafers, berry biscuit, iced tea, salted nuts, and mints.

The next and final meeting of the Club will also be held in the country when the members will be guests of Mrs. Howard Butler at her home at Coal Glen.

ROTARY AFFAIRS.

An interesting and varied program was carried out by the Rotary Club Tuesday in the basement of the Presbyterian church where an elegant luncheon was served by the ladies of one of the Circles.

Two prominent visitors were welcomed by President Neal. These were E. Frank Andrews, the new cashier of the Peoples Bank, and Mr. Travis, who is connected with the Greensboro Bank and Trust Company, and who was here on business connected with the Peoples Bank. These gentlemen made brief talks, each having something complimentary to say about Sanford, and predicting a bright future for the town. Mr. Andrews said the people of Sanford had been unusually cordial to him since arrived here and he was sure his bank was ready to do everything in its power to advance the best interests of the town and county.

O. P. Makepeace, who is interested in increasing tourist travel through Sanford, made an encouraging report. For some time a paving project has been underway on highway No. 1 in South Carolina. This project is about completed and it is expected that travel over this route will pick up this fall.

Dr. M. L. Matthews, who was booked for a talk on his trip to Dallas as a delegate to the Methodist Conference, minutes in length. The doctor must have concluded that the Conference would prove a dry subject to the boys. Anyway, he confined himself mostly to the telling of a number of new jokes which he had picked up in Texas. He says it rained about every day while he was in Texas and according to the report he brought back, Texas is wet in more ways than one. Dr. Matthews, along with his pastor, Rev. S. A. Cotton, had a great time at the Conference.

J. R. Ingram who heads the committee appointed to purchase blooded cattle for distribution among the club boys on the farms of Lee county, made a report of the work done. More about the purchase and distribution of these cattle will be found elsewhere in this paper.

MASONIC CLUB HAS INTERESTING MEETING

Indacts One Tyro.

Tuesday night the Sanford Masonic Club held its early June party with its usual good feed and splendid talks at the banquet table and a splendid program in the club rooms. Miss Jeanette Stout gave several humorous readings which were well received and Miss Blanche Godfrey played a piano solo. Several short talks were made by J. W. Stout, H. C. Renegar, S. Q. Kinney and Dr. R. O. Humphrey, a short business session followed the entertainment at which time Bro. A. C. Harris made a tentative report of the recent play the Club sponsored. Then followed the induction of a Tyro named S. Q. Kinney. This novice made a very fine candidate and displayed much interest while making his trip through the realm of mystery surrounding the sovereign fellowship of the Masonic Club. A committee was appointed to select the guests for the next dinner which will be served the third Tuesday in June. J. W. Stout was appointed chairman and will be assisted by A. C. Harris and Ed the Local Blue Lodge in the ex-Lee S. Jones.

Last week the Masonic Club assisted in the celebration of the Third Degree of Masonry at which time Dr. I. Hayden Luterloh and F. F. Farrabow were raised to the sublime degree of Masonry in ancient and honorable forms. The degree team, most of whom are members of the Masonic Club, was attired in costumes similar to those worn by the craft during the building of the Temple. The following made up the team:

Solomon, King of Israel, W. H. White Hyram, King of Tyre, H. F. Makepeace.
Grand Marshal, H. C. Renegar.
Grand Secretary, C. M. Gunn.
Grand Treasurer, E. M. Underwood.
Senior Grand Deacon, J. W. Marks.
Junior Grand Deacon, H. M. Jackson.
Grand Tyler, S. D. Porter.
Grand Chaplain, Rev. F. C. Hawkins.
1st Ruffian, W. L. McIver.
2nd Ruffian, W. F. Cooke.
3rd Ruffian, Dr. R. O. Humphrey.
Twelve Fellowcrafts: J. W. Marks, F. C. Hearns, Ernest Kennedy, Lee S. Jones, T. T. Hayes, J. L. Sauls, G. W. Anderson, George Brannon, H. M. Jackson, D. D. Riddle.
Sea-faring Man, J. W. Gilliam.
Quartette: T. Jarvis Brooks, H. C. Renegar, Paul P. Kelly, J. Talmadge Smith.

The work was beautifully presented and well received by the many Masons present, some of whom had never before witnessed the degree in this city were present in addition to the local membership.

Miss Frances King, a student at Coker College, Hartsville, S. C., returned home the first of the week for the summer vacation.

INTRODUCES MR. WILCOX TO THE VOTERS

Dear Editor:
I ask for space to answer a few questions which I have been asked. The questions are similar to this: "Who is Wilcox? Do you think he could successfully fill the office to which he aspires?" So I feel like I want to answer these questions in a paper which hundreds read, for I know each and every one would like to elect a good man to the office which Wilcox is asking the people of Lee county to give their support. Knowing him personally and dealing with him in business affairs, allow me to introduce you to Mr. Wilcox. He is a son of the late George Wilcox, who was a captain in the War between the States 1864-65; represent-ative, 1885-89; a useful man in his community; a church worker to the very end.

Mr. Martin Wilcox is a prosperous farmer at the old home of his father; was for a number of years a successful engineer on the Atlantic Coast Line Railway. We have no record of his ever being turned off from any public job. He was never asked to resign. So I think if he is elected sheriff of Lee County he will serve the people so faithfully and efficiently he will hold the office till he sees fit to give it up.

So voters, think seriously over this matter and let's see if we can elect a sheriff that will please the people as much as his brother, (Mr. John Wilcox), Clerk of the Court at Carthage, is pleasing the people of Moore County.

ROTARY CLUB BUYS BLOODED CALVES

To Promote Stock Raising in the County—13 Jersey Calves Purchased from the Reynolds Farms, Inc., at Winston-Salem and Distributed to an Equal Number of Boys on Farms in the County.

The Rotary Club plans to promote stock raising in the county and has purchased 13 Jersey calves from the Reynolds Farms, Inc., near Winston-Salem for that purpose. Some of these calves cost as high as \$150.00 each and are beauties.

Rotarian J. R. Ingram, accompanied by E. O. McMahan, County Demonstration Agent, and E. W. Campbell, man, went to the Reynolds Farms last week to purchase the calves and had them shipped to Sanford. They were placed in the stables of Palmer and Reeves and distributed last Friday. A large number of citizens, including Rotarians, farmers and business men, called at the stables to see these calves. After looking them over they felt like this was the beginning of real stock raising in Lee county.

Mr. Ingram made a talk to the boys who were given the calves, telling them what will be expected of them in caring for the calves. Mr. McMahan also instructed the boys as to how they should be fed and taken care of. He gave them the formula for feeding them. Eleven of these calves were assigned to members of the A-H Calf Club and two to farmers for milk cows. The boys to whom these calves are assigned were carefully selected a month or more ago. The calves are pure bred and some of the best in the South. Those two years and under, one year sold for \$130.00 and the older ones at \$155.00 each. Names of the boys: Ervin Campbell, Avents Ferry Road; A. Paul Rosser, Jonesboro; Paul M. Rosser, Jonesboro Route No. 2; Dow Manning Avents Ferry Road; James Wilson, Lemon Springs; Benn Knight, near Worthy's Pond; Mack Smith, Frank Gilliam, Pocket Township; William Ogburn, White Hill; Frank Conder, Buffalo community; Roy K. Harrington, Poplar Springs community; Sam Thomas, Jonesboro Route. For family know each and every one would like to elect a good man to the office which Wilcox is asking the people of Lee county to give their support.

Knowing him personally and dealing with him in business affairs, allow me to introduce you to Mr. Wilcox. He is a son of the late George Wilcox, who was a captain in the War between the States 1864-65; represent-ative, 1885-89; a useful man in his community; a church worker to the very end.

MEMORIAL SERVICES AT BUFFALO

Memorial services were held at Buffalo church last Friday, May 30th, has been made annual memorial day at the "Mother Church." A large congregation from this entire section filled the church for this occasion. The cemetery had been put in order, and an elaborate program prepared by the pastor of the church and others.

The program included memorial services for Confederate veterans, Spanish American War veterans and World War veterans. Therefore the services were confined to the church program and the decoration of the graves with flowers.

The services began at 10:30 a. m. with the singing of several old time hymns. Rev. J. T. Barham, pastor of the church, then delivered the address of welcome. This was followed by the annual memorial sermon by Rev. W. S. Golden, of Carthage, who spoke of the influence exerted upon the lives of the members and upon the life of the community by those who had gone before.

At 12 o'clock the program was turned over to the American Legion. This was in charge of R. A. Kennedy, H. C. Renegar delivered an appropriate address. At 12:30 the graves in the nearby cemetery were decorated with flowers. Confederate flags were placed on the graves of the veterans of the Spanish American war and the world war.

At 1 o'clock a picnic dinner was served. At 2 o'clock the program was resumed with an impromptu address by Rev. G. R. Underwood, retired minister, of Pittsboro. Interesting addresses were made by Rev. Frank C. Hawkins and Rev. R. C. Gilmore. A feature of the program was the music. It was appropriate that Rev. G. R. Underwood should take part in the program. More than 30 years ago Mr. Underwood introduced the custom of holding annual memorial services at the various churches in this section the first service of this kind being held by Mr. Underwood at Shallow Well Church, near Jonesboro of which he was for many years the beloved pastor. Now most of the churches throughout this section hold memorial services some time during the late spring or early summer, at a time when plenty of flowers can be had to decorate the graves in the cemeteries.

THE NEW FORD 11-2 TON TRUCK

Gives Service Long and Dependable at Low Cost. . . .

IN THE new Ford truck are many features which make it unusually economical to operate, and which contribute to long, reliable service. Perhaps the lubrication system has a greater influence upon the life of an engine than any other factor. In the Ford, the advantages of pump, gravity and splash systems are combined.

Oil is first pumped to the valve-chamber. From there it flows by gravity to all main crankshaft and camshaft bearings. It also flows to troughs into which the connecting rods dip. This not only lubricates the connecting-rod bearings, but causes oil to be splashed on all other moving parts. There are no costly drilled shafts and pressure oil lines. The only moving part is the pump. Simple and sure as water running down-hill.

Why not come in today and let us show you the other features of the new Ford truck which add so greatly to its value?

W. A. BINGHAM, INDEPENDENT CANDIDATE FOR SHERIFF OF LEE COUNTY.

Elsewhere in The Express will be found an announcement by W. A. Bingham, of his candidacy for Sheriff of Lee County, as an independent. In an interview with Mr. Bingham, he had this to say:

"I believe like old Honest Grover Cleveland, that 'Public Office is a Public Trust,' and and have never subscribed to the present day view, apparently held by many of our official servants, that it is a 'Private Snap.'"

"I believe a great many of us allow political expediency to overshadow our economic judgment in the selection and election of our public servants, and that intelligent preparation for the exercise of suffrage should be arrived at after impartial, un-Prejudiced, non-political consideration of the personal merits and qualifications of the candidate and his proposed policies.

"At this time the matter of tax reduction is engaging the attention of all, including some of the brilliant minds of our state. This tax question is as old as civilization and has always been more generally discussed than all other political issues combined, but like the weather, there is but very little has ever been done about it. I am aware, that in the main, this is a question to be considered and acted upon by legislation, and I have no high sounding theories to advance to that branch of our State government whose business it is to adjust such matters. But, I have some very practical ideas about what can be done and what should be done here in our own county towards relieving our own burden of taxation. I believe the way to reduce is to

reduce, and I believe that reduction, like charity, should begin at home.

Therefore, if I am elected to the office of Sheriff of Lee county, I propose to serve at a reduction of ONE THOUSAND DOLLARS per year from the present salary of that office, provided the county commissioners will reduce every other office in proportion.

In Lee county officials are still drawing war time salaries, while many deserving men and women of our county are forced to accept positions at less than half their former wage. County officers should be willing to accept salaries to conform to the income of their constituents. I can do it and am willing to do it.

I my personal affairs I have always practiced economy and frugality, and public affairs should be conducted along the same line.

I call upon all taxpayers and voters to discuss and agitate the issues herewith submitted and join me in your votes on election day in an effort to reduce our tax burden.

It is my aim to have all the paid deputies under my charge in uniform or some method of identification to show as an officer of the law, to eliminate any undue expense incurred by the county to prosecute offenders of the law that mistakes officers for highwaymen who undertake to violate the law and suspect officers to be people who might hold them up. Believing that offenders of the law would submit to arrest if they knew that officers were demanding such and not if they were ignorant of the purpose of any person who stopped them."

The candidacy of Mr. Bingham was endorsed at the Republican County Convention.
