

TODAY, AS FOR YEARS

BUICK DEDICATES ITSELF TO THIS BASIC SERVICE POLICY.

"Satisfy the customer." This has been the service policy of the Buick Motor Company throughout the twenty-seven years of its history.

More than 4,000 factory-supervised Service Stations assure all Buick owners the same fine standard of skilled Buick service.

A written Warranty, covering the first 4,000 miles or the first 90 days of ownership, whichever shall accrue first, guarantees every new Buick car to be free from defects in material or workmanship.

Should parts or workmanship prove defective at any time during the Warranty period, Buick dealers will supply the parts and perform the necessary labor free of charge.

In addition to careful pre-delivery tests, the Buick owner receives two major inspections without cost—one after 500 miles and another after 1500 miles of driving.

The "Tourist" and "Change of Residence" clauses permit the Buick owner to change his residence as frequently as he desires or to tour any part of the U. S. or Canada and still receive the full Warranty benefits from the nearest authorized Buick dealer.

All BUICK dealers fulfill these provisions of BUICK'S service policy. All dedicate themselves to the task of serving promptly, efficiently and courteously.

The Tread That Gives Maximum Road Grip The deep-notched tread of U. S. Royals is designed to give maximum road grip, sure braking and an increase in driving ease.
