gave me the surprise of my life. I could hardly retain food, my liver was disordered, I was dreadfully constipated and suffered with sick head aches. I had lost so much weight and strength that I hadn't the energy or life to do anything. Sargon gave me a splendid appetite and my digestion is perfect. I never have head aches, I'm fast regaining my lost weight and have just lots of new strength and energy.

"Things I Ate Hurt Me"

"I HAD a severe case of indigestion," says Mrs. Bell Buckheister, 7 River St., Piedmont, S. C. "So many things that I ate hurt me, I almost quit eating. I would burn in my chest. I had severe headache, and such a tight, smothering feeling. I would be obliged to eat a little, then it would hurt me. A friend said to me: 'Why don't you take Black-Draught?' I was just too weak then to do my work. I began taking small doses after meals and in just a few weeks I could eat anything I wanted to, then take my small dose of Black-Draught and feel fine. I soon regained my health and strength." Costs only 1 cent a dose.
