

Brevities

E. L. Gavin and W. R. Williams, members of the Lee County Bar, attended the 35th annual meeting of the North Carolina Bar Association at Wilmington last Thursday, Friday and Saturday.

Miss Mildred Register returned on Sunday from a northern tour. She visited interesting points in Philadelphia, Atlantic City and Wilmington, Del., and reports a very delightful trip. Miss Register was extended a number of social courtesies while in Philadelphia.

Mrs. J. U. Gunter is having a bungalow built on the lot between the dwellings of Mr. Fisher Makepeace and Mr. Austin McCormick on Summit Avenue. Mr. J. W. Stout has the contract. Material is now being placed on the lot to go in the building.

There were twice as many patients at the Lee County Hospital during June as were treated there during any other month since the hospital opened. Many of the patients were operated on for appendicitis. At this time the hospital is not so crowded.

A large group of young people from the B. Y. P. U. organization of the Sandy Creek Association are this week attending the State B. Y. P. U. Convention at Ridgecrest, near Asheville. The group is being chaperoned by Misses Myrtle Douglas and Lillian Glass, of this place.

The force of laborers putting down the cement bottom for the clear water basin at the Sanford pumping station, have completed the job and the covering is now being put on. It is expected that the cement will dry out in three weeks and the basin be ready to receive water. That will finish the work on the extension of the system.

The Express is informed that a number of young women of Sanford are now being trained to take work in the Sanford Cotton Mill as it is planned to greatly increase the operating force. We are informed that a large number of people have applied for work there during the past week or two.

The finishing touches are now being put on the interior of the store building, owned by Mr. J. H. Monger on Steele street, to take the place of the one badly damaged by fire last winter. Glass fronts have been put in the two store rooms and when completed they will be among the most attractive store fronts in Sanford. As has been stated in these columns one of these store rooms will be occupied by Mr. Harry Isaacson, who lost a stock of goods by the fire.

Milus Kelly, of the Broadway section, had ripe watermelons on June 26th. This is the earliest that we have heard of ripe watermelons in this section. Watermelons seem to be right plentiful now on the local market. They are unusually large for early melons. Also plenty of cantaloupes are now offered for sale. They are unusually small, but have a delightful flavor. This is probably due to the dry weather.

Earl Underwood, Seaboard Air Line watchman at the freight depot crossing, raised two Irish potatoes this spring through which sprigs of Bermuda grass grew as they would in the ground. This is a very hardy grass and is about as hard to destroy in land as nut grass. It has been in Sanford and this section for years and has spread over much of the land in Lee county. It is difficult to cultivate land where it is very thick.

E. L. Gavin and H. M. Jackson have formed a co-partnership and are now jointly handling their law practice in the office which was occupied by Mr. Gavin and Mr. D. B. Teague up to the time they dissolved co-partnership, on the second floor of the Gavin Snipes building on Wicker street. Mr. Jackson was with this law firm for a number of years, but for the last few years he has practiced alone in an office on the same floor.

It was recently stated in The Express that counterfeit money was in circulation in Sanford. Some of the business men circulated it without knowing that it was counterfeit. We had an opportunity to examine two \$5 bills of this spurious money. We also see it stated that it is being circulated in some of the towns west of here in bills of \$10 denomination. Should you get a bill that you are suspicious about compare it to a bill that you know is perfectly good. The Federal government has sent detectives to this state to try and run down the counterfeiters. They may be in this section now.

After a protracted drought the rain this week has done much to relieve the suffering crops. Late corn and tobacco have been hard hit by the dry weather. The rain which fell Tuesday night and yesterday will be worth thousands of dollars to Lee county. There will be a short crop of early corn, but a good yield may be expected from late corn should the weather be reasonable for the next few weeks.

The Sanford Fire Department is practicing out on Chisholm street these evenings preparatory to attending the annual meeting of the State Firemen's Association which will be held at Salisbury July 24th to 27th. They expect to be in good trim and bring home some of the prize money as they have almost every year for the past few years.

JONESBORO NEWS LETTER

BY MRS. J. R. DALRYMPLE

Mr. and Mrs. Frans Richey, of Washington, D. C., are guests of Mrs. Richey's parents, Mr. and Mrs. Arthur Rives.

T. E. Wyche, Jr., of Albemarle, stopped over a short time Saturday with his mother, Mrs. T. E. Wyche en route to Camp Glenn for two weeks. Mr. and Mrs. Floyd O'Connell and Mrs. Frances Leslie and Vann O'Connell, spent Sunday at White Lake.

Mrs. S. Thomas, Barbara Bell Thomas and Jessie Mae Barnhardt, accompanied Mr. and Mrs. Harford Thomas to Carolina Beach Sunday.

Mrs. Marvin Saunders was called to Dunn Monday on account of the serious illness of her father, Mr. Dan Culbreth, who suffered a stroke of paralysis.

Miss Rebecca Watson has returned from a visit to her aunt in Greensboro. Mrs. W. M. Holt, Mrs. C. H. Von Cannon, Misses Elizabeth and Vivian Avent and Virginia Cole spent last Friday in Chapel Hill and Durham.

The many friends of Mr. J. D. McKenzie, agent for the Coast Line, regret to know that he is confined to his room by illness.

Misses Annie Lee and Louise Denning, of Benson, and Miss Rosalie Lang, of Farmville, spent Tuesday at the home of Rev. and Mrs. J. E. Blalock. Miss Lang will remain for a visit of several days with Miss Catherine Blalock.

The Young Ladies Bible Class of the Presbyterian church met Monday evening with Miss Lois Dalrymple, Miss Virginia Cole, president, presiding. The devotional was led by Miss Lois Dalrymple after which a full business session was held. At the close of the meeting an ice course was served by the hostess, assisted by Mrs. E. J. Caddell.

Mrs. P. B. Hardee and two daughters, of Durham, are spending some time at the home of Rev. and Mrs. L. H. Joyner. While here the home of Mrs. Hardee in Durham is being remodeled and painted.

The refreshing rains which fell on Tuesday afternoon have greatly revived the late gardens as well as farm crops. Mrs. C. A. Godfrey, who has charge of the relief demonstration plans to give a demonstration at an early date, the date to be announced later. The scarcity of vegetables has caused some delay from the last demonstration.

At a recent meeting of the Town Board Mr. Joe D. Smith was elected to the office of Town Clerk and Tax Collector. Mr. Smith, who recently moved here from Sanford, is a fine citizen and will make the town a most capable officer.

Has Worked MIRACLES for Me.....

Enthusiastic users—users who get better results than they had expected from Dr. Miles' Aspir-Mint, write us every day. "Wonderful!" "Marvelous!" "Miraculous!"—are words quite generally used by these enthusiastic users. Repeatedly they write: "It does more than you claim for it!"

Mrs. Ruth Culp, the cheerful lady whose picture is shown here, says: "I use your wonderful Aspir-Mint Tablets which have worked miracles for me in breaking up Colds as well as relieving the pains of other ailments." Mrs. Ruth Culp, 46 East Chestnut Street, Norristown, Pa.

Perhaps you would have a similar experience. Why don't you try it? Your druggist has Dr. Miles' Aspir-Mint and would be glad to sell you a small package for 15c or a large package for 25c.

He will cheerfully refund your money if you are not entirely satisfied.

STEEL ALONE IS NOT ENOUGH!

—neither strong enough, nor safe enough, nor quiet enough for the body of a quality car like

CHEVROLET

Why is it that every 12-cylinder and 16-cylinder car in America has bodies of steel reinforced by hardwood? Why is it that every make of car selling for over \$4000 uses bodies of exactly the same type? Why? For the same reason that Chevrolet uses it exclusively. Because every test and every experiment have definitely proved: STEEL ALONE IS NOT ENOUGH!

The trouble with steel alone is that it stands just so much shock and punishment. Steel alone is also inclined to rattle and rumble. BUT—when you put the two together—a heavy, staunch steel body over tough, solid hardwood—then the hardwood reinforces the steel—and vice versa! And the result: the strongest, safest type of body, such as Fisher builds for Chevrolet. CHEVROLET MOTOR CO., DETROIT, MICH.
