HISTORY SHARP'S REPORT TOBACCO SALES IN CLARKTON

We take great pleasure in announcing the fact that tobacco seems to be selling some better this week than it has during the season. The demand for good grade is stronger and the common and medium grades are holding their own with grades of this type bringing a little better than before.

We have on the Clarkton market this season a full set of buyers from all companies. They are men of age in the tobacco business and know what they are doing. When you have a market with buyers that know what they are doing, and are not afraid to back their judgment you will find a good average sale on that market. Tobacco Planters Warehouse in Clarkton is sold on the basis of tobacco. You do not find one grade sky high for the quality and another way below the market for its quality.

Friends, we are selling tobacco in Clarkton this season and not keeping you here two or three days and nights in order to sell.

All know that when we have to spend two days and nights away from home it will take a fourth of what

our tobacco brings unless we have a mighty large load.

It is needless for me to list a great string of good sales to prove to you that tobacco is selling good in Clarkton. Anybody can pick out a few good sales from a flood of tobacco. Any warehouseman can list prices on a few lots of tobacco and these prices are listed in the paper. But do you ever know that the prices listed in the market price for the quality of tobacco on which these prices are quoted.

Bring your next load of tobacco to Clarkton and let us prove to you that tobacco is selling good and selling for the top market price. Our first sale days next week are Monday, August 28th, Wednesday August 30th and Friday September 1st. First or second sale, Hester Sharpe Company at the Planters Warehouse in Clarkton will get you the top market price for your tobacco.

Bring your next load. Your friends. PLANTERS WAREHOUSE. L. B. Hester, Will Sharp, L. B. Hester, Jr., Jack Sharpe.
