"The Mule in the Mine"

THIS is a story about a mule. Maybe you'll get a kick out of it. It happened in a coal mine back in 1919.

Well, sir, every time he kicked, Tony says, he hit his back smack against the low, rocky roof of the shaft...

You Just Can't Knock Sense Into a Mule.

Now a mule is a pretty stubborn customer and that newcomer took an awful beating before he began to get wise.

All that rough treatment on his first day, Tony says, didn't help that mule's disposition at all.

Mr. Mule bared his big yellow teeth and, head down and ears flat, went for the driver.

The Mule Suspects Tony Is His Annoyer.

And that's where Tony comes into the picture. Tony hadn't touched that mule's sore back or flicked his ears with a high-tension wire.

But Tony didn't stop to admire the view. No sir-ree. Tony ducked around a corner and down an empty chute as fast as he could go.

And right after Tony came the mule! That mule wasn't fooling! He was squealing like a stuck pig, and his dental wire...

Fugitive Tries to Crawl Into the Earth.

The manhole wasn't deep enough to hide Tony completely, but he thought maybe the mule wouldn't see him.

Tony said he peeked out and when he saw the teeth coming right for his hiding place he thought it was the end of him.

Face to Face Is Bad Business With a Mule.

The mule stopped just at the manhole and looked down! Tony looked up and the eyes of man and beast met.

And believe it or not—that mule gave Tony a big kiss! Tony's mouth dropped open. The mule straightened up.

Tony Escapes With Life—Mule Goes Free.

"Look out for those wires," Tony yelled. But Tony wasn't just being kind to the friendly mule.

Well, sir, Tony says after that he pleaded for the mule with the mine foreman and they let the panic-stricken beast go.

Getting a Job and Getting Ahead

The Importance of Knowing Your Own Mind

SOME years ago the personnel director of one of the country's largest business organizations remarked that in his experience...

To be certain in your own mind about what you want to do when you are applying for a job is a serious question...

In nearly every business the period of apprenticeship is likely to be more or less boring and is rarely remunerative.

The business leaders of tomorrow will be the young men who today are using their apprenticeship to discover where their interests and aptitudes lie.

It is the purpose of this series of articles to help you by observation, reading and study, are equipping themselves to attain their goal.

Get Rid of Poisons Produced by Constipation

A cleansing laxative—purely vegetable—Black-Draught—is the first thought of thousands of men and women who have found that by restoring the downward movement of the bowels many disagreeable symptoms of constipation promptly can be relieved.

Dr. J. P. Mahaffey, of Clinton, N. C., writes: "I have found that Black-Draught is very effective in the treatment of the system when affected by the dull headache, the drowsiness and lassitude caused by constipation. I take Black-Draught."

BLACK-DRAUGHT

I'M SOLD

It always works

Just do what hospitals do, and the doctors insist on. Use a liquid laxative, and you can bring yourself to clocklike regularity without strain or ill effect.

A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation.

Ask a doctor about this. Ask your druggist how very popular Dr. Caldwell's Syrup Pepsin has become. It gives the right kind of help, and right amount of help.

Dr. Caldwell's Syrup Pepsin contains senna and cascara—both natural laxatives that form no habit. The action is gentle, but sure. It will relieve any sluggishness or bilious condition due to constipation without upset.
