Vol. 2, No. 16

The News and Entertainment Paper for N.C.'s Gay Community

Our cover person for this issue is actor Treat Williams (what kind of mother names her son "Treat" ?), who is currently appearing in two films: Orion's "Prince of the City" and Universal's "The Pursuit of D.B. Cooper." There are more pictures inside.

Another photo from our NIGHTLIFE series. This time it really is on page C-4! (Whose hand is that, anyway?)
