**The Front Page's free personals** are a terrific way to meet new people, find a roommate, offer a job, send a message, or make a friend. Use your imagination. Don't be restricted by any ideas of "category" for these ads - invent one!

**You can say just about anything**, but please remember we reach a diverse audience and phrase your ad with that fact in mind. If your ad refers to sexual preferences, we ask you to be clear but not too graphic. We also ask that you be positive about yourself, rather than negative about others. Phrases such as "no fats or fems," or "no Blacks" can be insulting.

**If you're interested in meeting someone through an ad**, be sure and give a true portrait of yourself. The only way to benefit from a correspondence situation is to be above board and honest. When you receive an answer to your ad, please remember: that person deserves the courtesy of a reply. If you're not interested, a short note saying "Thanks, but no thanks" will do. If we receive repeated reports of the same advertiser failing to answer his mail, we will be forced to cancel the ad in question.

**If you don't mind people calling you directly**, then you might consider publishing your phone number with your ad. (There is a \$1.00 charge to verify the number.) Phone number ads always receive more response than any other type. The only drawback is that you must be prepared to answer many calls at all hours. We ask that anyone answering an ad with a phone number please honor any time restrictions or requests for discretion.

**If you want to answer an ad using a Front Page box number, here's how:**

1. Place your letter to be forwarded in an envelope, stamp and seal it.
2. Plainly print your name and mailing address in the upper left hand corner.
3. Print the complete box number in the center of the envelope.
4. Enclose your sealed letter in a larger envelope, and mail it to *The Front Page*, P.O. Box 25642, Raleigh, N.C. 27611.

**It doesn't cost you anything to answer an ad.** Your unopened reply will reach the person you're writing in just a few days. Your complete return address is needed in the event that, for some reason, we are no longer able to forward mail to a particular box. **Your name and address will remain strictly confidential.**

**How to place an ad:** please type or neatly print your ad on a separate piece of paper. Try to be as brief as possible. Then clip and sign the authorization below, and mail both to *The Front Page*.

We are unable to accept ads over the phone. Any necessary payment must accompany all ads. Please make check or money order payable to *The Front Page*. Do not send cash or stamps. Mail to: *The Front Page*, P. O. Box 25642, Raleigh, N.C. 27611. The paper reserves the right to edit any ad for reasons of space. No ads will be accepted which contain explicit sexual references. *The Front Page* reserves the right to reject or edit any ad which, in our opinion, would offend a large segment of our readers.

*The Front Page* will not knowingly accept fraudulent, obscene, offensive or questionable advertising. Since it is impossible to investigate each advertiser, we assume no responsibility relative to any communications or transactions between advertisers and readers. Anyone corresponding with or through this publication is required to comply with all local, state and federal laws.

Your signature on the authorization that follows is required for every ad submitted:  
*I, the undersigned, hereby certify with my signature that I understand and accept the above stated terms of advertising in The Front Page, that I am 18 years of age or older; that I am the person represented and possess the full legal capacity to execute this authorization:*

**Any ads which arrive at The Front Page without a signature on the above line, and any letters to be forwarded which arrive without stamp, forwarding envelope or return address will be destroyed (for your own protection) without further notification.**
