Attractive Chapel Hill GWM, 32, 5'5", 145 lbs., brown hair and eyes, seeks nice fellow to settle down with. I dream of someone who would rather read Eudora Welty stories to each other than watch TV's Bloopers, someone who likes to dig out his tux once a year but who wouldn't be embarrassed to take my pickup truck to Stoneybrook Steeplechase, someone who (since these days safe sex and condoms are smart anyway) is not threatened by my having herpes, someone who like river walks, good food, and good conversation, someone who wants a buddy/friend/lover for an exclusive one on one relationship. If you live in the triangle and you're ready for an honest and caring commitment, drop me a note with a little personal info and a photo. Box 241, The Front Page. (16)

GWM, 38, 6ft., 170 lbs. In the past 14 mos. I have had numerous offers and opportunities for sexual encounters, but because I fear contracting AIDS I have practiced "safe sex," eg. "NO SEX AT ALL." I am now seeking a man from the TRIAD AREA who is honest and considers himself to be in a LOW RISK GROUP who also desires to form a one on one "total" sexual relationship! My sexual and emotional needs are direct and sincere. I offer no guarantee that our meeting will result in a mutual sexual relationship. I feel you have as much right as I do to decline anyone, it is "our" freedom of choice! I am a handsome, intelligent individual who is attracted to equally self-confident, mature men who have varied interests, and a good sense of humor, to mention but a few! If this AD is pertinent to your concerns and meets your criteria, write and tell me a little about yourself. I will respond promptly! "stephen", P. O. Box 7655 Greensboro, N. C. P.S. I wish me luck. (16)

WHAT DO THESE MEN HAVE IN COMMON?

Jeff Bridges, Steve Guttenberg, Richard Hatch, Matthew Broderick, Matt Lattanzi, Hart Bochner, David Keith, William Katt, Kurt Russell (sans beard). Answer: my undivided attention as the sexiest looking men around. If you resemble any of the types they represent, you might become the top #1 to make it a list of ten. Looks can't hold it together in the long run, of course, but it's a starting place. I'm an attractive WM, 44 (perhaps I look a little like Anthony Perkins), 5'6", 134, endowed, interested in arts, outdoors, movies, almost all types of music, more. Have a good career, cozy home (I live RFD), everything but you, my missing part. Looking for younger brother, a WM 18-35 to share everything with. You should be sexy enough to inspire passion, tender and vulnerable enough to arouse genuine masculine caring, have a reasonably defined build, average to well-endowed, be cuddly, masculine and sexually Fr a/p. Gr F. and love j/o. touch, closeness. I prefer not to meet heavy drinkers or drug users, and am turned on by the somewhat quiet "boy next door" type who has a desire to please and be appreciated for that. I also need help in keeping my place due to a long commute and if necessary can provide room and board to help right person relocate. Phot essential with an honest, descriptive letter. Pluses (not sex req'd) — my size or shorter, thick endowed, smooth upper body, high sex drive, kindness, consideration, genuine masculinity. Winter's coming again and it would be better to be warm together than cold apart, so why not write now and get things going. WB, Rd 2, Box 654, Harpers Ferry, W Va 25425. (16)

GWM, 5'8", 150 lbs., 36, brown hair & eyes. Wants to meet that right guy for permanent relationship. I am lonely and broken hearted. I don't like to live alone. I want to build my life and share my love with someone. If you are lonely, I'll hug you. If you need to talk, I'll listen. If you are sad, I'll cry with you. Smile and let me smile with you. When you kiss me, we will remember the tender moments forever. Emotion has no price and love is free. I want to share my life with you and you alone. If you're the type that every time your lovers back is turned, you hop in bed with anybody, don't answer this ad. I've had enough heartbreak for one life time. I know the pain of seeing your lover in bed with someone else, and I don't know of anything that hurts any worse. I only want a one to one relationship. I am endowed above average, F&G, A/P, but do prefer top roll. I own my own business, but would relocate for right person. If you want love instead of games, write with photo to Ken, 613 E. Main Street, Bennettsville, SC 29512. (17)

REPRISE OF ODE TO A BOO HOG

Doohh: to plunge into that hot Mt. Vesuvius and erupt with molten lava recrating a rare, earth shattering explosion of a millennium long gone. Yes, let me "cum" - exploring every crevice, filling every opening with BOO-HOG fluids forever. BOO HOG. POB 12459- DURHAM, NC 27709 (Address Correction) (16)
