

KITKA

NCSU Center Stage and PineCone present
A World/Home Partnership concert

KITKA
Women's Vocal Ensemble
Songs from Eastern Europe and Beyond

"Kitka's power is in the lusty, full-voiced singing and glottal gymnastics, which are capable of taking the top of your head right off. The range of emotions in Kitka's repertoire is impressively extreme, from the softest lullabies to banshee wails which sometimes seem equal parts grief and sexual ecstasy." -OPTION
