Purgative, it is superior to Blue Lick and Congress Water, Salts, or Seidlitz Powders. it is a remarkable fact, that among the hundreds of ninent physicians who have examined the recipe by watch Buil's Sarsaparma is prepared, not one has condemned it, but all approved it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sar suparilla that has ever been placed before the public. Although there are many physicians who feel a reluctance to having their names appended to the recommendation of any particular remedy, not withstanding they may approve of it in the highest degree, there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an afflicted community As an evidence, read the following from old and respectable physicians, of high standing in the community

System, and a Gentle and Pleasant

TESTIMONY.

Testimony like the following rend-rs superflons all comments on the efficacy of Bull's Sarsaparilla From Dr. L. P. Yandell, Professor of Chemistry in the Louisville dedical College: I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla. and have no hesitation in saving that they form a safe compound, and one that promises well in chronic disease L. P. YANDELL, M. D. to which it is applicable

in which they live:

What Dr. Poles, par sician by appointment to the Louisville Marine Hospital, says of Bull's Sar aparilla : LOUISVILLE, March 20, 1849. I have examined the prescription for the preparation of John Pati's Sarsaparilla, and I believe the combination to be an excilent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article

M. PYLES, M. D. Resident Physician Louisville Marine Hospital

LOUDON, Kr., April 25th, 1850. Sir - Permit me to address to you a few lines, and do me the honor to reply to a request that I will make in the conclusion of this letter, &c. I am a graduate of Transylvania Medical University; I have practiced medicine in this wilderness country, about five years, but owing to exposure to bitter cold weather. I have been indisposed with Acute Rheumatism about six months. After having exhausted my skill in the treatment of my case, and deriving no benefit. I was induced to give your FLUID EXTRACT OF SARSAPARILLA 2 fair trial, and accordingly purchased a bottle of your medicine from your agent, Mr George P. Brown, about two weeks ago, and I must confess that one bottle has entirely cured me. It is my opinion, that your preparation of Sarsaparilla is decidedly superior to any other preparation now in use, and I will take great pleasure in recommending it to the

afflicted as being a remedial agent, and I will advise the physicians to use it in their practice, &c.

Respectfully yours, B. B. ALLEN, M. D Louisville, July 13th 1849. I have examined the list of articles that compose Joan Bull's Extract of Sarsaparilla, and I have no hestitation in saying that it is a safe and valuable compound. I would prefer it to any article now in use, for the diseases arising from an impure state of the blood or tains of the system. I confidently recommend it to my friends as being a powerful Extract, and one that I believe will cure all classes of diseases, for which it is recommended, if used according to directions. I believe it to be a valuable succedaneum to Mercury. - Nay, I have my doubts whether in the most

Nodes Trophe, in caries of the bones, whether it ought not to succeed every other remedy. S. R. McCONACHIE, M D. Honorary Member of the Medical Society, Philadelphla.

F Hear, what Dr. Stapp, a physician who stands at the top of his profession, says of John Bull's Sarsaparilla: I have been using John Bull's Sarsaparilla in a great variety of chronic diseases, with the most happy effects, and I have no hestitation in recommending it to the public for the cure of scrofula, syphilis, and all cutaneous and glandular diseases Yours, most fervently, Lewisport, Ky., April 6th, 1849. WM. STAPP, M. D.

Rev E. W. SEHON, - Rev. E. STEVENSON CONCLUSIVE. - The following is a verbatim copy of a certificate now in the possession of the proprietor of Bull's Sarsaparilla. Rev. E. W Schon is widely and generally known as an eloquent and accomplished pastor of the M. E. church, and Rev. E Stevenson has been known as one of the most talented and zealous members that the Kentucky Conference could boast of for many years, and at this time is filling the high and responsible station of agent for the M. E. Book Concern. Can the world produce better or more satisfactory testimony in favor of any medicine! Better testimony then was ever offered in favor of any medicine. Rev. E. W. Sehon - Rev. E. Stevenson:

Louisville, May 20th, 1849. We have used John Bull's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hestitation in stating our belief, that it is a safe and valuable medical compound, and calculated to produce much good and relieve much suffering; and therefore would cheerfully and most earnestly recommend it to the

We earnestly invite all persons who are suffering with any of "the ills that flesh is heir to," to call on Dr. John Buil's agent, and get a copy of Buil's Family Journal GRATIS; and for the sake of humanity, we hope that a single individual will not be found unwilling to give Bull's Sarsaparilla a TRIAL, after reading, and recollecting, at the same time, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astounding cures performed by his Sarsaparilla The amount of tertimony voiuntarily showered on Dr. Bull's Sarsaparila, from well known and distinguished individuals, both in public and private life, has been perfectly overwhelming Dr. John Bull's Principal Office, west side Fifth street first door below Main, LOUISVILLE, KY.
