TESTIMONY FROM NO. CAROLINA. Certificate of Dr. W. SMITH, of Pine Hill Richmond County, N. C.

PINE HILL, March 4th, 1854. Dr. C. M. Jackson, Philadelphia-Dear Sir-I have been a subject of Dyspepsia, in its worst form, for the last five years. Such ken. While on my way home I stopped at Rutherfordton, a small village in North Ca-

rolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me collection of New Music, just received syrup. Price 25 ets. some questions, said he had been a dysper- from Baltimoc. Late of Wilmington, N. C. tic, and had been greatly benefitted by the use of "Dr. Hooflan's German Bitters," prepared by you, and he insisted that I would try the Bitters. He, also, called the next day at my room and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I do say In Cotton, Flour, Grain, Naval Stores I was more benefitted by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine (he a dyspeptic), and I gave him nearly all the Bitters I had left; which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefitted by it than any other he had taken, but I have not been able to get any more for him or myself since; will you, therefore, please ship me a dozen

Respectfully yours, W. SMITH. Dr. R. Hooker, Rogers' Store, Wake Co. rienced very great benefit from the use of 'Hoofland's German Bitters,' in Chronic Dysentery and functional derangements of the Liver and its concomitant evils, I am desirous of obtaining a quantity of it for the benefit of my community. You will, therefore, please send a lot, &c. &c."

Certificate of WM. J. ATWOOD. HUNTSVILLE, Yadkin Co., N. C. Nov. 1st, 1854.

Dr. C. M. Jackson-Dear Sir-Allow me to express to you my sincere thanks for your discovery of a medicine, which, to say the er medicines, that I have taken, have entirely failed to do. 'Hoofland's German Bitters' have cured me of the most stubborn and aggravated case of the Piles that, perhaps, ever fell to the lot of man. My case is not a stranger to this community, as I am well known in this and the surrounding counties, and can truly say that my recovery has astounded all my friends and relations, as I had tried every thing recommended, and nothing did me any good until I was prevailed upon upon to try the Bitters. You are at liberty to make any use of this communication, for the benefit of the afflicted, you may think proper. Truly yours,

WILLIAM J. ATWOOD. These Bitters are ENTIRELY VEGETABLE, hey invigorate and strengthen the system, never prostrate it, and can be used for in-

I AM desirous of employing a firs rate Overseer to superintend my Plantations for the ensuing year, or any number of years when sufficient confidence on both sides shall be established. I want an Overseer who thoroughly understands the cultivation of corn and cotton. In fact he must be well acquainted with the management of Cotton from the time it is planted until it is picked cut, ginned, packed and bagged ready for market. He will be required to "overlook" between fifty and sixty working hands. A very liheral price will be paid-location as healthy as any in Florida. Persons wishing to obtain the situation will please state their ages, whether married (how many in family) or single. Before any bargain can be closed I shall demand a good recommendation.
