HOOPLAND'S German Bitters.

TESTIMONY FROM NO. CAROLINA.
Certificate of Dr. W. SMITH, of Pine Hill, Richmond County, N. C.

PINE HILL, March 4th, 1854.
Dr. C. M. Jackson, Philadelphia—Dear Sir—I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition I was carried to the watering places in Virginia, Tennessee and North Carolina, but was not benefited by any water to which was taken. While on my way home I stopped at Rutherfordton, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Dr. Hoopland's German Bitters," prepared by you, and he insisted that I would try the Bitters. He, also, called the next day at my room and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I do say I was more benefited by it than all the water and medicine I had ever taken.
After reaching home, one of my neighbors came to me for a prescription and medicine (he a dyspeptic), and I gave him nearly all the Bitters I had left; which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since; will you, therefore, please ship me a dozen or more as soon as possible.
Respectfully yours, W. SMITH.

MEXICAN Mustang Liniment.

Rheumatism Cured!
—\$1\$—
Morganton, N. C., June 30th, 1853.
Dr. A. G. Bragg & Co. Gentlemen.—I feel it my duty not only to you, but to those of my fellow beings who are afflicted as I have been, to add my testimony in favor of the wonderful effects of your Mexican Mustang Liniment.
I was severely attacked in December last, with Inflammatory Rheumatism in its worst form—suffering night and day with excruciating pain for six months—being for the whole time entirely unable to walk, or even step. My right leg was so contracted and drawn up that I could not put it to the ground, and my left arm was as badly contracted. During the whole time, I was attended by two of the most skillful Physicians in the place. But they were unable to afford me any relief, and they finally gave me up, pronounced me incurable, and said I must die!
At this critical moment I commenced using the Mexican Mustang Liniment, and, after using two small bottles, I began to find relief from my sufferings. Seven bottles cured me perfectly, and I am now as well, and stouter than ever I was before.
Yours gratefully,
George Good.

I certify that I am acquainted with George Good, who signed the above certificate, and I know that he was afflicted with the Rheumatism as above stated, and that he was cured by the use of the Mexican Mustang Liniment.

NOTICE.

Dr. Spender's Vegetable Pills

ARE the cheapest and most approved family medicines ever offered to the public. They are extremely mild in their operation, neither causing sickness of the stomach, nor any unpleasant sensation in the system, as is too frequently the case with medicines given to act upon the bowels; hence multitudes, who have been unable to take other pills or preparations of medicine, on account of their nauseating effects, use those pills without the slightest disagreeable feelings. All that is asked of those who have never yet become acquainted with them, is to procure one box, and the Proprietor's word for it, they will never call for any other kind of purgative medicine so long as Spender's Vegetable Pills can be obtained.
Price 25 cents per box.

Also, Dr. Hull's Vegetable Fever and Ague and Anti-Fever PILLS.

AMONG all the advertised remedies of the day for Ague and Fever, or Chill and Fever, none seem to meet with such rapidity of sale, and give so much general satisfaction, as Dr. Hull's celebrated Pills. Wherever they have been introduced, all tonics, in whatever shape, all mixtures and pills, and preparations of every character, designated for this disease, have been discarded, and Dr. Hull's Ague Pills have been received as the only permanent cure. They stop the Chills and Fever the first day, and do not sicken the stomach or operate on the bowels.
Price 75 cents per box.

MEXICAN Mustang Liniment.

Every day new evidences of the value of this popular medicine reaches the ears of the public. A friend of the Editor's, a contractor on the Pacific Rail Road, told him the other day that he would not be without it on his section on any account, whatever. He had constant use for it among his hands. The great value of this article has induced many worthless imitations under different, but similar names; but the persons who once use Bragg & Co.'s Liniment will not be deceived by any vile and rascally cheat who would palm off a spurious preparation on them.
Liberty, Virginia, June 30th, 1853.

Messrs. A. G. Bragg & Co.—Having used the Mexican Mustang Liniment in my family in several severe cases of hard lumps and swellings, I cheerfully give my certificate to its excellent effects.
My daughter had a hard lump as large as a hen's egg on her wrist for a year or more. I told her to rub the Liniment on it as directed, and in a few weeks, by its constant application, it was entirely removed without producing pain or soreness.

I have also used the Liniment for Scrofulous tumors or Swellings in the throat, of long standing, on two of my servants, and it removed them both in a short time. I consider them all remarkable cures, as they had been treated unsuccessfully by physicians, and I can safely recommend the Mexican Mustang Liniment as the best article I ever used.
Jesse T. Hopkins.
Proprietor of Hopkins' Hotel.

PRICES.—The Liniment is put up in three sizes, and retails for 25 cents, 50 cents, and \$1 per bottle. The 50 cent size contains 3 times as much as the 25 cent size, and the \$1 size has 3 times as much as the 50 cent size. The large sizes being much cheaper.

Dr. J. B. Marchisi's CELEBRATED CATHOLICON,

For the relief and cure of suffering Females.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called FEMALE COMPLAINTS. Of these are PROLAPUS Uteri, or Falling of the Womb, FLUOR ALBUS; or Whites; CHRONIC INFLAMMATION AND ULCERATION OF THE WOMB; INCIDENTAL HEMORRHOGE, or FLOODING; PAINFUL SUPPRESSION, and IRRREGULAR MENSTRUATION, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.

REFERENCES.

I acknowledge that the four bottles which my companion has used, are worth the charge for the twenty-four. She is now using the fifth bottle. Mrs. Doster enjoys better health now than she has since 1846, and I do not know what else to credit the improvement to but the use of the Catholicon, as she has been gradually improving ever since commencing it last spring.
WILLIAM DOSTER, Atlanta, Ga.

I have sold what you sent me, and so far as I can learn, it has given general satisfaction. I believe it to be a good remedy for those diseases for which it is recommended.
JESSE LOWE, M. D.
Lawrenceville, Ga.

I have no hesitation in saying, Dr. Marchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhoea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.
JOHN C. ORRICK, M. D.
Baltimore, Md.

So far as I know, it has given good satisfaction in every instance, and is well spoken of, not only by those who have used it, but by their most intimate friends also. I do not know of any instance where it has failed to give relief, and I have taken special pains in all cases to learn its effects.
M. H. MILLS, M. D., Rochester, N. Y.

The following unsolicited letter was recently received from Huntsville, N. C.

Huntsville, Yadkin Co., N. C.,
November 28th, 1853.

Dr. J. B. Marchisi, New York—Sir: I deem it my duty to express to you my sincere thanks, for your discovery of the celebrated Female Medicine, (Catholicon.) My wife has been more or less troubled with flooding for eight or nine years, and found nothing to give her relief, until by chance I heard of and got a bottle of your medicine. We found it just the thing wanted: it acted like a charm, and has given her entire relief of a permanent character.
With much respect, your obedient serv't,
(Signed) WILLIAM J. BOLIN.

The claims of this medicine to the confidence of the public are strengthened by the fact of its having received the approbation and liberal patronage of many prominent members of the Medical Faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlet,) sustaining all that is claimed for it as a curative agent.

This medicine has never been introduced by empty puffs and misrepresentations, nor is it intended that its present popularity should be sustained by any medium but its merits and the approbation of the public.
Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from ladies of the highest respectability, as certified by the most satisfactory authority, to all which the attention of ladies and practitioners is respectfully invited, can be had gratis at the Drug Store of

Hoopland's German Bitters.

Certificate of W. M. J. ATWOOD. HUNTSVILLE, Yadkin Co., N. C. Nov. 1st, 1854.

Dr. C. M. Jackson—Dear Sir—Allow me to express to you my sincere thanks for your discovery of a medicine, which, to say the least of it, has effected a cure, that all other medicines that I have taken, have entirely failed to do. Hoopland's German Bitters have cured me of the most stubborn and aggravated case of the Piles that, perhaps, ever fell to the lot of man. My case is not a stranger to this community, as I am well known in this and the surrounding counties, and can truly say that my recovery has astounded all my friends and relations, as I had tried every thing recommended, and nothing did me any good until I was prevailed upon upon to try the Bitters. You are at liberty to make any use of this communication, for the benefit of the afflicted, you may think proper. Truly yours,
WILLIAM J. ATWOOD.

Dr. R. Hooker, Rogers' Store, Wake Co. N. C., Oct. 24, 1853, says: "Having experienced very great benefit from the use of Hoopland's German Bitters, in Chronic Dysentery and functional derangements of the Liver and its concomitant evils, I am desirous of obtaining a quantity of it for the benefit of my community. You will, therefore, please send a lot, &c. &c."
These Bitters are ENTIRELY VEGETABLE, they invigorate and strengthen the system, never prostrate it, and can be used for infants as well as adults.
