Hampton's Vegetable Tincture.

Had it up—if you have lost it—the greatest of all possessions—We mean your health!

The best tonic in Dyspepsia and Debility, especially in females, is

HAMPTON'S VEGETABLE TINCTURE.

Daughter and Grandson cured!

Success of Hampton's Tincture!

[From the Louisville Courier.]

Dr. J. Hampton publishes in our advertising columns this morning a strong Certificate from Hon. W. P. Thomasson, of the efficacy of his medicines.

A CARD.

Louisville, Ky., Feb. 11th, 1857.

Dr. Jesse Hampton:—It gives me much pleasure to advise you of another remarkable cure effected by your medicines. My daughter sprained her ankle alighting from the carriage by stepping on a rolling stone. Medical aid was called in—the injury however, became worse, until she was prostrated. She could not walk for weeks. In this condition you were applied to, and in a few days after using your medicines her general health was restored, and her ankle acquired such strength as to enable her to pursue her usual avocations, and her health since is good.

Nor should the case of my grandson pass without notice. He had the scab sore-head and swelling under the skin on the back part of the head and neck, and by following your prescription, I am happy to say he has wholly recovered from both maladies.

Your friend,
W. P. Thompson.

NOTICE.

Dr. Spencer's Vegetable Pills

ARE the cheapest and most approved family medicines ever offered to the public. They are extremely mild in their operation, neither causing sickness of the stomach, nor any unpleasant sensation in the system, as is too frequently the case with medicines given to act upon the bowels; hence multitudes, who have been unable to take other pills or preparations of medicine, on account of their nauseating effects, use these pills without the slightest disagreeable feelings. All that is asked of those who have never yet become acquainted with them, is to procure one box, and the Proprietor's word for it, they will never call for any other kind of purgative medicine so long as Spencer's Vegetable Pills can be obtained.

Price 25 cents per box.

Also, Dr. Hull's Vegetable Fever and Ague and Anti-Fever PILLS.

AMONG all the advertised remedies of the day for Ague and Fever, or Chill and Fever, none seem to meet with such rapidity of sale, and give so much general satisfaction, as Dr. Hull's celebrated Pills. Wherever they have been introduced, all tonics, in whatever shape, all mixtures and pills, and preparations of every character, designated for this disease, have been discarded, and Dr. Hull's Ague Pills have been received as the only permanent cure. They stop the Chills and Fever the first day, and do not sicken the stomach or operate on the bowels.

Price 75 cents per box.

MAYOR'S OFFICE, BALTIMORE,
August 23rd, 1852.

I take great pleasure in stating that I have examined the names of those who have signed certificates respecting

Hampton's Vegetable Tincture.

And among them I recognize gentlemen of the first respectability, viz:—JOS. K. STAPLETON, WM. A. SCHAEFFER, C. DUNAN and others. I also cheerfully testify to the high standing of the house of Messrs. Mortimer & Mowbray, who for the past 20 years have enjoyed the entire confidence and esteem both of our merchants and citizens generally.

MEXICAN Mustang Liniment.

Every day new evidences of the value of this popular medicine reaches the ears of the public. A friend of the Editor's, a contractor on the Pacific Rail Road, told him the other day that he would not be without it on his section on any account, whatever. He finds constant use for it among his hands. The great value of this article has induced many worthless imitations under different, but similar names; but the persons who once use Bragg & Co.'s Liniment will not be deceived by any vile and rascally cheat who would palm off a spurious preparation on them.

Liberty, Virginia, June 30th, 1853.

Messrs. A. G. Bragg & Co.:—Having used the Mexican Mustang Liniment in my family in several severe cases of hard lumps and swellings, I cheerfully give my certificate to its excellent effects.

My daughter had a hard lump as large as a hen's egg on her wrist for a year or more. I told her to rub the Liniment on it as directed, and in a few weeks, by its constant application, it was entirely removed without producing pain or soreness.

I have also used the Liniment for Scrofulous tumors or Swellings in the throat, of long standing, on two of my servants, and it removed them both in a short time. I consider them all remarkable cures, as they had been treated unsuccessfully by physicians, and I can safely recommend the Mexican Mustang Liniment as the best article I ever used.

Jesse T. Hopkins.

Proprietor of Hopkins' Hotel.

PRICES.—The Liniment is put up in three sizes, and retails for 25 cents, 50 cents, and \$1 per bottle. The 50 cent size contains 3 times as much as the 25 cent size, and the \$1 size has 8 times as much as the 50 cent size. The large sizes being much cheaper.

Hark! A Warning Voice!

If you are sick, why delay until your disease becomes incurable, and then have to lament when it is too late! Thousands, who die prematurely, might have been cured by Hampton's Vegetable Tincture. Why go languishing and drooping, debilitated and broke down, life a burden, with a desire to avoid your best friends?

Have you a cough settled on your lungs, a dry hacking cough, the glassy eye, the hectic flush on the cheek, pain in the breast and side, night sweats, with all the fearful symptoms of Consumption? Or have you Asthma, already stifling you with dreadful anguish of suffocation; setting up through the long cold night, while the sweat runs from every pore from the nightly effort of respiration? We say, don't delay, but try Hampton's Vegetable Tincture, the great Restorer and Invigorator. It has shown itself most powerfully curative of nervous diseases in their various forms, giving new life and vigor, restoring the shattered constitution, and thus infusing hope in place of despondency.
