Hampton's Vegetable Tincture.

We speak as unto wise Men—let the restored and afflicted judge for themselves.

The whole animal creation are subject to disease—but few die from sickness where instinct is their only physician. The beneficent Creator has given the various plants and roots for the cure of disease; and it is upon this great truth that Dr. Hampton bases the many wonderful cures of his celebrated Tincture.

Truth is mighty. We appeal to our own citizens. Wherever fairly tried the same success attends its use in chills and fevers, diseases of the liver, stomach and bowels.

As a COLERA p reventive, it has been truly successful. Coughs, dyspepsia, rheumatism, &c. yield to its gentle sway. As a Female medicine and for delicate children, e believe it has no equal.

Geo. Howard.

Dr. Spencer's Vegetable Pills

ARE the cheapest and most approved family medicines ever offered to the public. They are extremely mild in their operation, neither causing sickness of the stomach, nor any unpleasant sensation in the system, as is too frequently the case with medicines given to act upon the bowels; hence multitudes, who have been unable to take other pills or preparations of medicine, on account of their nauseating effects, use these pills without the slightest disagreeable feelings. All that is asked of those who have never yet become acquainted with them, is to procure one box, and the Proprietor's word for it, they will never call for any other kind of purgative medicine so long as Spencer's Vegetable Pills can be obtained.

Price 25 cents per box.

Also, **Dr. Hull's Vegetable Fever and Ague and Anti-Fever PILLS.**

AMONG all the advertised remedies of the day for Ague and Fever, or Chill and Fever, none seem to meet with such rapidity of sale, and give so much general satisfaction, as Dr. Hull's celebrated Pills. Wherever they have been introduced, all tonics, in whatever shape, all mixtures and pills, and preparations of every character, designated for this disease, have been discarded, and Dr. Hull's Ague Pills have been received as the only permanent cure. They stop the Chills and Fever the first day, and do not sicken the stomach or operate on the bowels.

Price 75 cents per box.

Antiphlogistic Salt,
A perfect substitute for the

Lancet, Leeches and Blisters!

INSTEAD of being a panacea for all maladies, it has control over but ONE MALADY—has but ONE AIM—accomplishes but ONE THING, to wit: SUBDUES INFLAMMATORY DISEASE—whatever be its form or locality—whether in the head, throat, chest, abdomen, extremities or skin. Every form of inflammation (but no other disease) is subdued by it as easily as fire is extinguished by water. Is it asked, how it does this?—simply by restoring the lost balance between the fluids and solids. Such is its potency, that like vaccine matter, it requires merely what adheres to the point of a quill dipped into a solution of it, to affect the entire system. For sale by
