Hampton's Vegetable Tincture.
We speak as unto wise Men—but the restored and afflicted judge for themselves.

The whole animal creation are subject to disease—but few die from sickness where justice is their only physician. The beneficent Creator has given the various plant and roots for the cure of disease; and it is upon this great truth that Dr. Hampton bases the many wonderful cures of his celebrated Tincture.

Truth is mighty. We appeal to our own citizens. Whoever fairly tried the same success attends its use in chills and fevers, diseases of the liver, stomach and bowels.

As a COLERA preventive, it has been truly successful. Coughs, dyspepsia, rheumatism, &c. yield to its gentle sway. As a Female medicine and for delicate children, we believe it has no equal.

Geo. Howard.

Dr. Spencer's Vegetable Pills
ARE the cheapest and most approved family medicines ever offered to the public. They are extremely mild in their operation, neither causing sickness of the stomach, nor any unpleasant sensation in the system, as is too frequently the case with medicines given to act upon the bowels; hence multitudes, who have been unable to take other pills or preparations of medicine, on account of their nauseating effects, use these pills without the slightest disagreeable feelings. All that is asked of those who have never yet become acquainted with them, is to procure one box, and the Proprietor's word for it, they will never call for any other kind of purgative medicine so long as Spencer's Vegetable Pills can be obtained.
Price 25 cents per box.

Also, *Dr. Hull's Vegetable Fever and Ague and Anti-Fever PILLS.*

AMONG all the advertised remedies of the day for Ague and Fever, or Chill and Fever, none seem to meet with such rapidity of sale, and give so much general satisfaction, as *Dr. Hull's celebrated Pills.* Wherever they have been introduced, all tonics, in whatever shape, all mixtures and pills, and preparations of every character, designated for this disease, have been discarded, and *Dr. Hull's Ague Pills* have been received as the only permanent cure. They stop the Chills and Fever the first day, and do not sicken the stomach or operate on the bowels.
Price 75 cents per box.

Antiphlogistic Salt,
A perfect substitute for the
Lancet, Leeches and Blisters!

INSTEAD of being a panacea for all maladies, it has control over but ONE MALADY—has but ONE AIM—accomplishes but ONE THING: to wit: SUBDUES INFLAMMATORY DISEASE—whatever be its form or locality—whether in the head, throat, chest, abdomen, extremities or skin. Every form of inflammation (but no other disease) is subdued by it as easily as fire is extinguished by water. Is it asked, how it does this?—simply by restoring the lost balance between the fluids and solids. Such is its potency, that like vaccine matter, it requires merely what adheres to the point of a quill dipped into a solution of it, to affect the entire system. For sale by *Geo. Howard.*

CARTER'S
Spanish Mixture,

GREAT CURE OF RHEUMATISM.—
The Editors of the Richmond Republican, of Dec. 24, 1852, say that Carter's Spanish Mixture is no quack medicine.

They had a man in their press room who was afflicted with violent Mercurial Rheumatism, who was continually complaining of misery in his back, limbs and joints;—his eyes had become feverish and matter, neck swollen, throat sore, and all the symptoms of rheumatism, combined with Scrofula. Two bottles of Carter's Spanish Mixture cured him, and in an editorial notice as above, they bear testimony to its wonderful good effects, and say their only regret is, that all suffering with diseases of the blood are not aware of the existence of such a medicine. They cheerfully recommend it.—
See their certificate, and notice in full around the bottle.

EYES, EYES—ASTONISHING!
Cure of Inflammatory Sore Eyes, after three years' suffering.
Those who have weak or inflamed eyes will see cures in pamphlets, &c.
A CARD.
Louisville, Ky., February, 1857.

Dr. Hampton—I can safely say that after having been afflicted three years with the inflammatory sore eyes, and in the time having tried many prescriptions, and illness growing worse all the time, and nothing short of total blindness appeared to be my doom, I resolved to give your Tincture a trial; and, to my astonishment, in less than one month my eyes were evidently better, and continued to improve until they were entirely well, and have been clear and sound for over one year, and now I believe I can see as well as any one of my age. And my health otherwise has been so much improved that I must say that I do not believe I ever knew what health was before.
