Dr. Spencer's Vegetable Pills

ARE the cheapest and most approved family medicines ever offered to the public. They are extremely mild in their operation, All applications to him, either in neither causing sickness of the stomach, nor town or from the country, will receive any unpleasant sensation in the system, as is too frequently the case with medicines given to act upon the bowels; hence multitules, who have been unable to take other pills or preparations of medicine, on account of their nauseating effects, use these pills without the slightest disagreeable feelings. All that is asked of those who have never yet become acquainted with them, is to procure one box, and the Proprietor's word for it, they will never call for any other kind of

purgative medicine so long as Spencer's Veg-

CARTER'S Spanish Mixture,

GREAT CURE OF RHEUMATISM .-The Editors of the Richmond Republican. of Dec. 24, 1852, say that Carter's Spanish Mixture is no quack medicine.

They had a man in their press room who was afflicted with violent Mercurial Rheumatism, who was continually complaining of misery in his back, limbs and joints;-his eyes had become feverish and mattery, neck swollen, throat sore, and all the symptoms of rheumatism, combined with Scrofula. Two bottles of Carter's Spanish Mixture cured him, and in an editorial notice as above, they bear testimony to its wonderful good effects, and say their only regret is, that all suffering with diseases of the blood are not aware of of the existence of such a medicine. They cheerfully recommend it .--See their certificate, and notice in full arot nd the bottle.
