Dr. Champion's
Vegetable Aque Medicine,
WILL cure Chills and Fever, or Fever and
Aque, without fail; and as a speedy, effec-
tual, safe and permanent cure, it is most
confidently recommended. This is an old
remedy, and one that we can say, without
the fear of successful contradiction, has
never been known to fail in a single in-
stance. In curing the above diseases it has
no superior, and in other Fevers is the best
remedy that can be used, when used in
time, in the same way as directed to cure
Chills and Fever. It acts as a preventive
and can be relied on with certainty. This
medicine is positively entirely vegetable,
and can be given with perfect safety to any
person from infancy to the latest period of
life. **Price 75 cents per box**

Dr. Champion's anti-bilious anti-
di-cathartic, purifying and

entirely vegetable, and containing no dele-
terious drug or medicine, and one of the
best cathartics ever recommended.

WORTHINGTON'S
Cholera & diarrhoea medicine,
The great North American Remedy for
Bowel Affections.

THE flattering encomiums bestowed on
this medicine, justifies the Proprietor in re-
commending it as being
More safe and efficacious
Than any medicine ever presented to the
American public. Hundreds of vile and
worthless nostrums are being palmed off on
the people through the public press, and al-
though the subscriber avails himself of such
a channel to introduce his remedy, he pre-
fers that others than himself should attest
its worth.
The following is an extract of a letter re-
cently received from Arkansas:
"In regard to the opinion entertained
here of your medicine, permit me to state
that a highly respectable and influential cit-
izen, Mr. Thomas Hare, formerly of North
Carolina, states that he has been cured of a
Chronic Dysentery of three years standing,
and would give One hundred Dollars a bottle
for it if he could not obtain it for less. In
many other cases remarkable cures have
been made, and I have had no one to call
for the purchase money, where I have sold
it. "No cure no pay."
Prepared and sold by
R. H. Worthington, M. D.
And by Druggists and Country merchants
generally.
