**Dr. Champion's**  
**Vegetable Aque Medicine,**  
WILL cure Chills and Fever, or Fever and  
Aque, without fail; and as a speedy, effec-  
tual, safe and permanent cure, it is most  
confidently recommended. This is an old  
remedy, and one that we can say, without  
the fear of successful contradiction, has  
never been known to fail in a single in-  
stance. In curing the above diseases it has  
no superior, and in other Fevers is the best  
remedy that can be used, when used in  
time, in the same way as directed to cure  
Chills and Fever. It acts as a preventive  
and can be relied on with certainty. This  
medicine is positively entirely vegetable,  
and can be given with perfect safety to any  
person from infancy to the latest period of  
life.  
Price 75 cents per box

complaint, dyspepsia, costiveness, sick  
headache and sick stomach, bilious habit,  
indigestion, and all that class of diseases  
arising from a disordered situation of the  
stomach, bowels, blood or liver. Positively  
entirely vegetable, and containing no dele-  
terious drug or medicine, and one of the  
best cathartics ever recommended.  
Price 25 cents per box.  
For sale by **Geo. Howard, Tawboro'; G.**

Belleville, Illinois.

**WORTHINGTON'S**  
**Cholera & diarrhoea medicine,**  
The great North American Remedy for  
**Bowel Affections.**  
THE flattering encomiums bestowed on  
this medicine, justifies the Proprietor in re-  
commending it as being  
**More safe and efficacious**  
Than any medicine ever presented to the  
American public. Hundreds of vile and  
worthless nostrums are being palmed off on  
the people through the public press, and al-  
though the subscriber avails himself of such  
a channel to introduce his remedy, he pre-  
fers that others than himself should attest  
its worth.  
The following is an extract of a letter re-  
cently received from Arkansas:  
"In regard to the opinion entertained  
here of your medicine, permit me to state  
that a highly respectable and influential ci-  
tizen, Mr. Thomas Hare, formerly of North  
Carolina, states that he has been cured of a  
Chronic Dysentery of three years standing,  
and would give One hundred Dollars a bottle  
for it if he could not obtain it for less. In  
many other cases remarkable cures have  
been made, and I have had no one to call  
for the purchase money, where I have sold  
it. No cure no pay."  
Prepared and sold by

IN times of Epidemics, it is the object of  
this Institution to establish Hospitals, to  
provide Nurses, Physicians, Clothing, Food,  
Medicines, &c., for the sick and destitute,  
to take charge of the orphans of deceased  
parents, and to minister in every possible  
way to the relief of the afflicted and the  
health of the public at large. It is the duty  
of the Directors, at such times, to visit per-  
sonally the infected districts, and to provide  
and execute means of relief. Numerous  
physicians, not acting members of the Asso-  
ciation, usually enrol their names on its  
books, subject to be called upon to attend  
its hospitals, free of charge.  
In the absence of Epidemics, the Direc-  
tors have authorized the Consulting Sur-  
geon to give advice and medical aid to per-  
sons suffering under CHRONIC DISEASES  
of a virulent character, arising from the  
abuse of the physical powers, maltreatment,  
the effects of drugs, &c. &c.

nature and treatment of Chronic Diseases,  
by the Consulting Surgeon, have been pub-  
lished for gratuitous distribution, and will
