#### Alleghany FSA Group Attends The District Planning Meeting

Last week all FSA Supervisors from Alleghany, along with all supervisors personnel in District I, met in Asheville for a two-and-one-half-day conference. The meeting was under the direction of W. B. Oliver, District I.

The first part of the meeting was under the direction of manifering in the mode of county affecting low-instruction for the next fiscal year, and which begins July I. A definite product of W. B. Oliver, District Supervisor in District I.

The first part of the meeting was under the direction and in connection with this topic C. Y. Tilson, County Agent for Buncombe County, and Dr. Collins from the North Carolina Extension Service, made talks. It was pointed out that unless the farmers produced more feed it will probably be necessary for the number of livestock to be reduced. It was further pointed out that in visw of the short feed supply it would be very good business for all farmers to cull their livestock more carefully than they have done in the pant.

The principal part of the meeting was under the direction of the next fiscal year, and they have done in the pant.
