

Allied Casualties Are Light As Compared To Japanese

Manila — Japanese dead and captured total 378,427 for the over-all Philippine campaign, Gen. Douglas MacArthur announced this week in reporting steady progress in Luzon and Mindanao Islands.

MacArthur reported 8,101 enemy dead had been counted and 508 prisoners taken in the week ended Saturday.

American casualties for the same period were given as 389 killed, 15 missing and 1,002 wounded. Total Yank casualties in the Philippines are 48,044.

Heavy, medium and attack bombers unloaded a 426-ton bomb load in support of ground operations on Luzon, causing widespread damage to Japanese supply dumps, bivouac areas and defenses.

On Mindanao, MacArthur reported the Americans "fanning out in pursuit of the enemy." The reduction of tough Japanese defenses still was under way in the

Davo sector. Heavy bombers hit Formosa day and night. The Chomousi airdrome on the Pescadores Islands to the west was another target.

Patrol bombers, ranging the China Sea, damaged rail facilities at French Indo-China, sank a coastal ship offshore and destroyed a cargo vessel at the mouth of the Yangtze River in China. Fuel dumps at Shanghai were bombed.

In the East Indies low-flying medium bombers and fighters struck Japanese airdrome facilities and supply areas at Kudat, on Northern Borneo, leaving the area north of the airfield a mass of flames. Two coastal ships were destroyed at nearby Sandakan. Two more coastal ships were sunk near Celebes, to the east.

SISTER OF HITLER HAS BEEN ARRESTED

Paris — Paula Hitler, sister of Adolf Hitler, has been placed under house arrest near Berchtesgaden, where she is living in the home of Dietrich Eckart, Nazi poet and former favorite of her brother.

(A Berchtesgaden dispatch Saturday said the 49-year-old sister of the Fuehrer had been questioned by Allied authorities and then been released.)

"I am not responsible for what my brother did," Paula told Howard Byrne of the army newspaper Stars and Stripes when he visited her. In fact, I seldom saw him and never had anything to do with politics at all."

She said her brother requested her to change her name to Mrs. Paula Wolf in 1936.

"My brother had no family sense," Paula said, explaining that the Fuehrer seldom wrote her or another sister, Angela, who is married to a professor and is living at Dresden.

More Gasoline Starting June 22

Automobile drivers in Ashe county as well as others, are the beneficiaries of an increase in gasoline rations, effective in June, OPA District Director in Charlotte said today. The value of "A" coupons will be increased from four to six gallons on June 22, when the new A-16 coupons become valid. The limit for "B" card holders who can show an actual need for more gasoline will be raised to 650 miles per month on June 11.

"I share with Chester Bowles and the Petroleum Administration the pleasure of announcing this increase in gas rations for civilian motorists," he continued.

"The additional quantities to be made available to civilian use are not guaranteed for any certain period of time but must always remain dependent upon changes in the military demand. The military has always had, and must always have first call, he explained.

In explaining the increase in the "B" card ceiling, L. W. Driscoll pointed out that a person who needs only 200 miles a month will continue to receive that amount. But a person who uses his car in his business and who needs more than he is now receiving will be able to get additional rations up to 650 gallons per month. In both cases they will receive the 50% increase in the "A" ration, he assured.

29th DIVISION HAS SETTLED IN GERMANY

Vege sack, Germany—The veteran 29th "Blue and Grey" Division has established headquarters here. It will rule several hundred square miles along both sides of the Weser River from Bremen to the sea.

This piece is cut out of British-controlled Northwest Germany in order to give American occupation forces access to the supply ports of Bremerhaven and Bremen.

For the present military government and security are the main problems of the division. Lieut. Col. Paul Krzmarich of Mesa, Ariz., said M. P.'s and other guards are making an average of 20 arrests daily of small Nazi officials and military men who can't give a proper accounting of themselves.

SALE OF E BONDS REPORTED LAGGING

Washington — Sale of Series E savings bonds is somewhat behind schedule in the 7th War Loan Drive.

But Series F and G savings bonds are going better than expected. The Treasury announced after two weeks of the seven-week drive, that total sales to individuals have reached \$2,394,000,000, which is 34.2 per cent of the 7-billion dollar quota for individuals.

Series E bonds make up \$1,491,000,000, which is 37.3 per cent of the E bond quota of 4 billion
