An Appeal To The Farmers

THE WAR IS OVER, THANK GOD. Now let us win the PEACE with the same determination, courage and unanimous effort. Difficulties and some hardships must be faced and overcome during the Reconversion Period. Competition will be keener and prices of many commodities are bound to be lower and quality better. We will get more value for our dollar. Our industry will not be an exception to the rule. In the near future, more shipping facilities will be available and Briarwood from Europe will arrive in ever increasing quantity. This may force a downward trend of prices for Ivy and Laurel. We are not afraid of competition. We have produced pipe blocks all of our lives and will continue to produce them. But we have no control over prices. Therefore, we suggest that you dig your Ivy and Laurel NOW while prices are at their peak. We ask your cooperation to dig good and solid burls. We have no use for stumpy or dead wood. Help us avoid the unpleasant task of culling bad stools.

Large advertisement for the Victory Pulpwood Committee. Headline: 'Come Back Home Jobs Are Waiting'. Text: 'A LOT of our patriotic neighbors left home to serve their country, either in the armed services or in war industries. If you are one of them, we want you to know there is a warm welcome and a job waiting for you here. We hope you will come back to make your home here among your old friends and neighbors. This is a good town with a lot of fine people—and a fine future. Plenty of Jobs Here In addition to the opportunities here with which you are familiar, some new ones have developed during the war. For instance, a lot of people around here have been making good money working in pulpwood. The tremendous war-time demand for pulpwood will continue because of the civilian demand that has been piling up and the many new industrial uses that have been discovered. Pulpwood has no reconversion problem. And that is typical of most of our business here. It runs along pretty steadily—no big ups and downs. You can enjoy security here and a nice way of living that doesn't cost every penny you make. So come on back home to stay! We'll be mighty glad and proud to have you with us again.'
