

### Attendance Law For Schools Is To Be Enforced

#### Cooperation Of Parents And Teachers Asked To See That Children Are In School

Attention is again called to the fact that the compulsory school attendance age for children is from 6 to 16 inclusive. Miss Clyde Fields, supt. of schools has again stressed the fact that the cooperation of all parents as well as teachers to see that all children of school age are in school.

Swanson Edwards, welfare superintendent is also truant officer and violations of the attendance law are to be reported to him.

School attendance and the importance of keeping children in school is to be emphasized by all school leaders in the county this year.

Physically handicapped children of school age, needing special training are also to be reported to Mr. Edwards.

Accidents killed more persons 2 to 27 years of age in 1944 than any disease, reports the National Safety Council.

### Alleghany County Soil Needs Lime

The application of lime shown above is greatly needed in Alleghany if a favorable balance is to be restored to the soil, says Herbert Osborne, AAA chairman.

### Alleghany County Farmers Urged To Use More Lime

A recent order from AAA provided for an unlimited use of lime in Alleghany county, as long as it may be used where needed and according to good farming practice, it was announced this week.

"This is the greatest opportunity the farmers of this county have ever had to lime their farms. In other words if a farm has one hundred acres of land which has not been treated with lime it would be eligible to apply a ton to one and a half tons to an acre on all of it, and get credit for the full amount," a member of the AAA committee declared.

"He may either apply at the AAA office for farm delivery and pay ninety cents per ton or he can purchase the lime himself and will receive \$3.30 per ton, provided it is applied in a practical way on or before January 1, 1947," he added.

It is also pointed out by AAA officials that phosphate will not be available to fill all orders; therefore, I would like to urge all farmers to use every bit of lime that he can possibly apply, as far as it is needed, and in the event a farmer has already received his allotment of phosphate he is still eligible for all the lime he needs and can use.

### Mt. Zion News

Mr. and Mrs. R. N. Childress, of Greenville, Bill Childress, of Raleigh, visited Mr. and Mrs. S. E. Smith recently. While on their visit they attended the family reunion at Montezuma, on the 84th birthday of their father, T. W. Childress. Others attending the reunion were Clyde Childress, son Billy, Mr. and Mrs. Rosco Roberts, of Cuthbert, Ga., Annie Ruth Holmes, Georgetown, Ga., Mr. and Mrs. Bryan Childress and two children, of Bristol, Tenn., Geraldine Gragg, Oak Ridge, Tenn., Mr. and Mrs. T. E. Pritchard and three daughters, Mr. and Mrs. R. M. Childress and four sons, of Montezuma, and Mrs. S. E. Smith of this community.

Mr. and Mrs. Thomas B. Smith spent last Sunday with Mr. and Mrs. Hallie Douglas, of Piney Creek.

Mrs. S. E. Smith returned home last Friday from Raleigh where she had been attending the farm and home week meeting. Accompanied by Mrs. Carl Hash, she also visited an old school mate in Hartnett county.
