SUMMER TERM OF ASTC OPENS TODAY Many Expected To Attend Big **Budget Offers Threat To U.S.** Today is registration day for all summer school students who expect to enroll at Appalachian State Teachers College. June Meeting Kansas City-Prisident Tru-man challenged Congress Satur-day to restore House cuts in farm and interior appropriations, which he said presented a "grave danger" of weakening American world-wide resistance to aggres-sion NOW IN GERMANY Will Be Held On Saturday And Sunday At Senter Church Class work will begin to-morrow, it was stated. Nathan's Creek (Special) Saturday and Sunday the an-nual Big June meeting will be held at the historic Senter Bap-tist church at Nathan's Creek Ston, Speaking to comrades of the 35th Division after an active day in which he led them on foot in a colorful parade he declared a strong domestic economy was necessary to support the nation's global commitments. Pay loving tribute te your King of Kindness when several thousand people while a hearty, cheery are expected to gather. Because of improved travel conditions the crowd on Sun-day is expected to equal those The House cuts in Agricultural Department funds brought the blunt assertion "our entire farm program is endangered by recent legislative action." of pre-war days, when thousands came from distant points as well as the nearby sections. In some years past, as many as 5,000 peo-ple have attended. The Big June is the first of the two-day Primitive Baptist meet-ings to be held in this section during the summer months and The United States, he said, is becoming a "have not" nation with respect to many minerals has for more than three-quarters of a century attracted many. For many it is almost a home-coming T-4 Ernest E. Andrews, who is now stationed in Schwetz-inge, Germany with the 1568 Engineering Depot. The son of Mr. and Mrs. Claude Andrews, and is "short of copper, of steel, day. Elder Ed Davis, moderator of the Senter district will preach and several visiting elders are description of the several visiting elders are the several visiting elders are petroleum products." of Route 1, Sparta, Andrews also expected to take part in this "I earnestly hope that the Sentwo-day service, with the special communion rites on Sunday. has been in the service for two ate will not follow the House of years and expects to receive his discharge in August. Representatives in cutting our conservation, reclamation and power programs back to the lev-el of a decade ago," he said. Speaking of these and of the **Pathologist Is** eq Mill **County Agents To** Here On Tuesday farm cuts, he added at another point: Dad's Day R. E. Black, county agent, and J. P.
