

Baseball Contest Winners Announced; Schedule Given

Baseball fans "got on the ball" and named the nine favorite players on the Sparta ball team the results of the Lead the League contest showed this week.

The nine players and the positions they play are given here: Right field, Tom Reeves, first place; Frank Atwood, second place; Center field, Bill Reeves, first place; Tom Reeves, second place; left field, Mack Caudill; short stop, Boyden Atwood; third base, Woodrow Richardson, first place; Bert Waggoner, second place; second base, Earl Lee Joines, first place; Bill Reeves, second place; first base, Jack Thompson; catcher Dale Holloway; pitcher, Clay Nichols, first place, and Ben Adams, second place.

In the week end of play, Sparta lost to the Elk Creek team 2-1 on Saturday when Adams and Geyer were on the mound. Catching Holloway. Sunday, the local team captured a 19-3 victory over Eridle Creek on the local diamond. Richardson and Adams were pitching for Sparta and Holloway, catching.

The schedule for the week end is as follows: Saturday—Sparta at Flat Ridge; Sunday—Sparta at Independence.

Mrs. Estep, 75, Dies In Idaho

A telegram was received Friday announcing the death of Mrs. Berry Estep, in Twin Falls, Idaho, who suffered a heart attack Friday morning.

Mrs. Estep, 75 years of age, was a native of Stratford, but had lived in Utah and Idaho for many years. She was the former Miss Beatrice Joines.

She is survived by a daughter,

Mrs. Minnie Mitchell and one son, Carl Estep and four grandchildren, of Twin Falls. She is also survived by the following sisters and brothers; Mrs. L. M. Gentry, Mrs. E. L. Spurlin, W. E., R. H., A. O., and C. M. Joines all of Sparta and J. E. Joines of Boone.

Farming Notes

By R. E. Black

With choice lambs bringing the highest prices heard of in many years sheep producers should give more attention to the kind of ram they use. The first essential in producing high quality lambs is a well bred ram of good blocky conformation. There are plenty of rams of this type for sale in this county which can be bought for \$30 to \$40 each. This may sound high, but when grade lambs are selling on the market from \$25 to \$30 each the right kind of ram would be cheap at twice what the breeders are asking for them.

This year the prices are making a spread of from \$3 to \$4 between good and choice lambs and around \$6 between good and medium. With market conditions like this it is entirely possible that the right kind of ram would be from \$6 to \$10 per head more on his lambs than any lambs from an inferior ram.

The right type of ram is always worth what he cost. A scrub ram is too high at any price.

If any farmers interested in buying a pure bred ram will contact the county agent he will be glad to help him to locate what he needs.

We only have a few breeders

Two Couples Wed At Courthouse

Two more couples took the marriage vows in the Alleghany county courthouse with Justice of the peace, G. Glenn Nichols officiating.

Miss Zolie Billings was married to John Higgins on Thursday, July 17, and Mrs. Fayne Humphrey and Tillman Huddle, of Wytheville, Va., were married on Saturday.

of pure bred sheep in the county and unless they are able to sell their rams at a reasonable price.

ARMY RECRUITERS AT SPARTA, FRIDAY

Sgt. Earl Triplett and Milton De Luce, army recruiters, will be in Sparta each Friday at the post office. It was learned this week.

Anyone wanting to contact them, may do so on Friday.

If You Conscientiously Feel That A Vote Against Legal Control Is In Reality A Vote Against Liquor, ASK YOURSELF THESE QUESTIONS:

1. In view of the undisputed fact that we have dozens of semi-public liquor stores, and a number of Federal licensed retail liquor stores in the county, where boys or anyone else can buy liquor at any time, day or night, do you really believe that a vote to continue the present system is a vote against liquor?
2. Do you think it is in the interest of temperance and righteousness to accept money from the bootlegger with which to fight legal control and protect the bootlegger's business? Don't you think the bootlegger is spending this money only for the protection of his business?
3. Don't you think it is time that we did something to build up sentiment against drinking among the young folks, which sentiment has almost disappeared under the present system? Do you see any hope of doing this under present method of handling liquor?
4. Don't you think that the large number of ministers in the county who have decided that they will not go to the poles again and vote to protect the bootleggers' business, but who are in all sincerity supporting legal control, are just as conscientiously against liquor as the ministers who are fighting to continue the present intolerable system?
5. About half the people of the entire U. S. are operating under the system of legal control satisfactorily. Don't you think we are capable of making this system work as the people in other sections of the State and country?

The Opponents Of Legal Control Have Asked what salaries would be paid the members of the board of control, how many stores would be operated, etc. HERE ARE THE FACTS:

1. The members of the Board will be appointed from both democratic and republican parties by the Board of Commissioners, Board of Education and the Board of Health and these boards fix the salaries. The record for economy of these boards is an absolute guarantee against any extravagance. Everyone knows this to be a fact.
2. The fact that the very best men who can be found in both political parties will be selected for the board is all the assurance any one needs that the business will be run economically and in strict compliance with the law. The State board can, under the law, force strict compliance with the law.
3. In last week's News the A. B. C. store was referred to as a saloon. The opponents of Control know that this is not true. The sales are in sealed containers which cannot even be opened in the store. They know also that the store will be as orderly in its operation and that the conduct in and around the store, as in and around any grocery store in the county.
4. No one has the slightest idea of establishing but one store in the county which would, of course, be located in Sparta. It would be foolish to do otherwise. You must remember that more than nine-tenths of the customers will be from outside the county.

OUR PLEDGE TO YOU

We hope you will carefully consider the actual facts of the situation and if you help us try this system of control WE PLEDGE YOU that if it DOES NOT improve the moral situation, reduce the evils of liquor, and greatly reduce taxes that we will help vote it out.

THE FINAL ISSUE

Will you vote for bootleg liquor and bootleg control or will you vote for legal control and the addition of at least \$100,000.00 per year to the county treasury with which to build school buildings, county hospital, lower taxes, and the stamping out of bootlegging in Alleghany county?

G. Glenn Nichols, Chairman

COMMITTEE FOR LEGAL CONTROL OF LIQUOR
