Dairy Farmers

You Are Cordially Invited

To Attend A

Grade "A" Dairy Barn DEMONSTRATION

To Be Held

Tuesday, Sept. 2, 11:00 A.M.

At The

Doughton Meadows Farm
Laurel Springs

And from here the group will go to the farm of Miss Joyce Myers.

All dairy farmers are cordially invited to attend this demonstration and see an approved type of Grade "A" barn that can be built immediately. By a relative small expenditure any dairy farmer can equip his farm to produce Grade "A" milk and receive the greatly added income the market affords. Brief talks will be made by representatives of the Dairy Extension Division of the State College, Rural Electrification Administration, Sears Roebuck Company and Coble Dairy Products. Costs and financing of the barns will also be discussed.
