Fine Variety of Meals Is Offered to Valdese School Children.

Tuesday saw the opening of a School Lunch room, operated by WPA workers, under the sponsorship of the Parent-Teacher Association at the Valdese school dining hall.

Valdese has long felt the need of a proper lunch room to feed its school pupils who cannot travel back and forth from home for their noon hour meal.

At the lunch room the children may obtain hot soup, and a regular plate lunch for a very nominal sum. All sorts of drinks, ice cream and pies are placed on sale at five cents each. The menu for the plate lunches are changed daily so as to afford a variation of dishes for the children.

The equipment for the cooking and the serving of the school lunches has been procured by the local P.-T. A. which has long felt the need for such a lunch room.

The work is supervised by Mrs. Harbison, who has charge of all the school lunch rooms in the county. The first day, the lunch room took in a total of \$10.35.
