EAST BURKE

Recommended To Administer Restrictions.

Members of two tire rationing boards for Burke county to administer the government's rubber restriction program have been nominated by a special committee for appointment by Governor

J. M. Broughton. Formal appointment is expected to be announced in Raleigh boards, serving areas coinciding with the territory of the two draft boards, will probably begin their duties January 5 when the tire rationing becomes effective with the reopening of the tire

market. Nominated for the Morganton board serving western Burke are: Frank C. Patton, W. I. Davis, and E. D. Alexander.

For the Valdese board serving eastern Burke nominees are Ben Pons and J. V. Benfield of Val-Henry River.

The nominations were made at cil, Parks McGimsey as chairman of the board of county commissioners, and Hal M. Walton as clerk of Superior court.

Raleigh dispatches state that the authority of these rationing boards at the outset will be lim-Rev. J. I. Spinks is having his ited to tires. In the near future. Lord only knows what", said Theodore S. Johnson, chairman of the State Defense council.

An almost complete tire famine is in prospect for the nation's 32,-000,000-odd motor car owners. The Office of Price Administration Leon B. Yerton, a knitter in Teachers and pupils of the Rudenying the vitally needed rubber not only to the Sunday pleasure driver, but to taxicabs, travelling salesmen and many commercial truckers.

The cut-off of crude rubber from the Far Eastern plantations may easily take millions of automobiles-with worn tires-from the streets and rural highways.

ENJOY NAVY'S YULE DINNER
