CHURCH TO SELL PART

In a recent church conference, the First Baptist church of Valdese voted to sell half of a lot it owns at Ridgecrest. The lot, which measures 225 feet by 100 feet, is considered larger than the church would ever need for the Lane, the former Miss Jane Garcottage it plans to build someday.

No buyer has yet been secured Shoppe. Her attendants were the for the property but several of the members of the church have to stay with her daughter while expressed an interest in it.

Proceeds from the sale of the property will be applied against the church debt, it is understood. The church purchased the Ridgecrest lot before the war.

BETTER RATING SEEN FOR NEW **A&P STORE**

Construction Started On New Home of Valdese A&P Food Store.

When the Valdese A & P moves nto its new building (supposed to be finished by October 1) it will also move from a Class 3 rating to a Class 1 rating, with a corresponding slight change in prices.

It is understood that the A & P classifies its stores according to size and volume of business. A larger store, with lower overhead. can retail at lower prices. Only the super-markets get Class 1 prices.

Total floor space in the new building, which is being erected minister is doing the preaching. by the Guigou estate, will be just about triple that of the store's present quarters.

Loye Lowman, contractor for the new building, says it will have a 4 feet front and be 107 1- feet deep, with a 40 feet by 50 feet half-basement, giving it approximately 6,300 square feet in all. Floor space now is 2,070 square feet, the present building being 23 feet by 90 feet.

For comparison, the new A & P will be 10 feet wider than the Major Electric Company's store. Construction was begun Monday, July 18.

Gus Jacumin will continue to be manager of the new store, and Golf Club in Morganton. M. E. Burns will operate the meat

of the Valdese elementary school for the past two years, and is a highly respected and much loved citizen and school man. His election as high school principal has been received with delight. With 15 years of experience

as teacher and principal behind him, Mr. Wilson comes well recommended for his work with the elementary school. A graduate of Mars Hill College and Appalachian State Teachers' College at Boone, he has been elementary school principal at Mount Holly for the past three years. Prior to that time he held a similar position in the Hoskins school in Mecklenburg county. He has also been principal of the Belfast elementary school in Wayne county, near Goldsboro.
