FASTEST CRAFT IN THE NAV

Corpedo Boat Destroye · Flusser Makes 33.7 Knots an Hour.

hree knots faster than that of any cored today by the Bath-built torpedo boat destroyer Flusser to a standardization trial, the first of her official acceptance trials on the Rock-land mile course. Her fastest mile was made at the rate of 33.7 knots an hour, while another was at the rate of 33.4 knots. The average of her five top-speed runs was 32.7

The British destroyer Swift has cord of nearly 36 knots, but she is designed for that speed and is an 1,800-ton ship, while the Flusder has a displacement of only 700 tons as was built only for a 28-knot speed.

A fog set in so thick that the off cers could not see the marks—the twentieth run was omitted—but this did not interfere with the Irial as the last run was to have been allow speed. A shaft horsepower of 14,400 was developed. Capt. Charles W. Dingley, of Bath, was the navigating officer, and Charles P. Weatherbe was superintending engineer.

The Flusser is equipped with Par sons turbines. She will be ready for delivery September 28.

to a sarranm, and left for their home near Morrisville this morning at 8740. Mr. Markham says he has not talked with his daughter, at all about her elopement, waiting until ahe sees her mother. One of the officers in Richmond told him that she said she was "fooled away from home." Outside of this he knows no more than has already been published. Officer Rogers will return tonight with Hilman High. We unliabed. Officer Rogers will return tonight with Hilman High. We understand that he will have at least three charges to face, two for forgery and one for kidnapping. While there is considerable feeling against him it is not tought violent demonstration will be made.—Raleigh Times.

Mt. E. D. Wels, friend and patron of the Daily Sentinel, came from his farm a few miles east of the city yea-terday morning and related an incident which may throw light upon the troubles of other poultry raisers as it did upon Mr. Welr's. His poultry ling rate and all efforts to learn their whereabout were in vain. No hawks flew overhead to threaten the lives of the chickens, and Mr. Weir has no dishonest neighbors. Having set traps for all kinds of "four-footed varmints," without making a cap-ture, Mr. Weir had given up in deand several days ago went out to give his fowls a farewell feed, expecting that the last of his "biddles" would have disappeared. He heard a noise nearby, and upon investigat ing, discovered a large bullfrog in th Atlanta, Ga., Sept. 3.—Gov. Brown, announced this afternoon that he The captive was rescued and the trop would not approve the recommendation of the Prison Commission that

SHAH HIAMES RUSSIA.

Says His Abdication Was Due to Intrigue and Treachery.

St. Petershurs, Sept. 3.—The Ruskoe Slove Ioday publishes an interview which its correspondent at Teheran and with the deposed Shah of Persia, who is now a retugee at the Russian legation at Zerzende. The former ruler of Persia complained, according to the corespondent, that his abdication was due to intrigue and treachery, hinting broadly at Russian and British diplomacy.

"I came here," the former Shah continued, "se I was given to understand that this step would sare the throne, appease the people and prevent bloodshed. I sent a telegram to the Emperor of Russia bespeaking his intercession with my people! I was willing to comply with the demands presented by the representa-

mands presented by the representa-tives of my people. To my surprise I found myself almost a prisone here and soon I was told that my abdication had been accepted. Had I remained another day at my resi-dence at Bageahah events would have taken a different turn."

In conclusion the former sovereign of Persia said he would prefer to wander through Persia as a simple dervish than be expatriated.

Considering the fact that it broke he record for endurance, the biplan ertainly ought to well
