How's Business?

This ad, is directed at the man who has all the business in his line in this community.

Mr. Merchant Yousay you've got it all. You're selling them all they will buy anyhow. But at the same time you would like more business.

Make this community buy more!

Advertise strongly, judiciously, consistently. Suppose you can buy a

lot of washtubs cheap; advertise a big washtub sale in this paper. Put in an inviting picture of a washtub where the readers can see it the minute they look at your adver-tisement. Talk strong on washtubs. And you will find every woman in this vicinity who has been getting along with a lick-ety washtub for years and years will buy a new one from you.

That is creative busipess power.
