WOMEN'S SHOES

IT IS WITH A FEELING OF PLEASURE AND PRIDE THAT WE ANNOUNCE THE ARRIVAL OF OUR WOMEN'S FOOTWEAR FOR THE FALL AND WINTER SEASONS.

Our shoes are far superior to the ordinary sort of shoes that can be had at every store, where women's shoes are sold.

They came to us direct from the workshops of the world's most noted makers of Women's Shoes. There's many a new style feature in the fall models, and we will take the greatest pleasure in showing our women patrons the handsome foot-wear that will be in vogue during the coming season.

COLLIE DOGS WERE STOLEN.

Last evening the two collie dogs belonging to Mr. Demsie Grimes were cut off from the lot and an attempt was made by the captors to keep the dogs, as shown by the strings they still had about their necks when they returned. The police were notified, and Mr. Grimes searched also, until midnight. A colored boy was seen with the dogs, but the witness supposed that he was taking the dogs with the owner's permission. If such an occurrence should again happen, the miscreant will be punished to the fullest extent of the law.

WRIGHT BROS. IN THE HOME.

If you want a reliable remedy for croup and pneumonia the mother's joy never fails, and Goose Grease for rheumatism and all aches and pains. Praiseworthy by thousands, and if you try it you will do the same. Manufactured by the Goose Grease Lintment Company. For sale by Hardy's Drug Store.

Most men feel like stuffed sausages when in evening clothes; and poor fit and poor tailoring explains it all. Royal Tailor Dress Suits not only have elegance and refinement—but they fit; they are comfortable; they give you that "at home" feeling you have when in your working togs.

The Royal Tailors are specialists in making dress suits to order—and if there is one thing in all your wardrobe that must be made to order, it's your dress suit. It's a clothes crime to wear a factory-made evening suit.

We have dozens of fabrics on display that we make up into splendid dress suits. These fabrics are calculated to give the maximum of wear and service and good looks. They will not wear shiny; they will not wear threadbare.

A Royal dress suit at \$35, \$40 and \$45 is the best dress suit value money can buy. You could not find at a White House formal dinner better workmanship and better tailoring than the Royal Tailors put into their evening clothes.

Come in and look at Royal Tailor fabrics and designs.—Royal Tailoring means custom-made at ready-made prices.
