THE HOLIDAY SALE.
The Ladies' Aid Society of the First Baptist Church began their holiday sale this afternoon. In the store formerly occupied by the *Little Shop* they have decorated the room very prettily, and have on display a large number of articles. Already a number of them have been sold, and the outlook is that most of them will be gone by the close of the sale tomorrow night.

In order to give a social air to the place the ladies have provided dainty suppers which will be served at night. Lunches also can be had by those desiring them.

The merchants are very busy now, and many of them have not time to go home at the time of the evening meet. The society extends a cordial invitation to all the business men to come to the sale room for supper. They promise to do their best to serve well, and the charges will be moderate. Candy and refreshments also will be sold.

This effort is to raise money to pay for the handsome organ which the society is buying for the church. The aim is praiseworthy, and the ladies should have a liberal patronage.

FLANAGAN AND WOOTEN OUT AGAIN.

Messrs. E. G. Flanagan and S. C. Wooten, who were recently so severely injured in an automobile accident near Greenville, are able to be out again.

Mr. Flanagan has been at Rex Hospital, Raleigh, and as soon as he is able to travel expects to go to Florida.

Mr. Wooten is rapidly recovering physically, but his mind is not yet restored.

What Is Hyomei?

You Have Heard About the Catarrh Cure Brown's Drug Store Guarantees.

Hyomei is a wonderful antiseptic, so powerful that it promptly destroys germ life, yet its action on the mucous membrane is extremely soothing and healing. It relieves catarrh in five minutes; it cures in a few weeks or money back.

It is made chiefly of eucalyptus and eucalyptol taken from the eucalyptus forests of inland Australia. The medical profession knows that eucalyptus is an absolutely certain germ destroyer and with the active principles of eucalyptus as a base Hyomei is made more efficient, pleasant and quick acting by the addition included in the Hyomei formula, fish, without doubt, is the greatest destroyer of catarrh germs the world has ever known.

Hyomei is a powerful, penetrating antiseptic that is pleasant to use. It does not contain a particle of cocaine, opium or any habit-forming or injurious drug. Just breathe it in through the small inhaler that comes with each outfit, sold by leading druggists everywhere and in Washington by Brown's Drug Store, \$1.00 for complete outfit.
