sioner Neill has Effecte .... Settlement

CONCESSION ON BOTH SIDE

the Workers and Officia to Have Met Half Way and Comelem Discussed Over Fou

incore, Md., March 12 --- There no strike of conductors and en of the Baltimore & Ohio ationer of Labor Nelli having ill be no str ght to a au early this morning brought to a use creatint conclusion his efforts as me diator in the ways dispute between the relificant and the men. While the caset figures on which a softlement was runched were refused for publication, it was learned that considerable concessions were made on both sides, and that in a general way the men and the officials met half way. This is true of all matters in controvery encept the question of doubleheader freights, for the aboli-tion of which the men anked. By mutual agreement this question was indeniate for sotilement hereafter in conjunction with other roads. Commissioner Neil declined to make any statement other that a settlement satisfactory to both sides had been reached. It was a very weary but happy

It was a very weary but happy looking los of men that came down the stairway of the hotel shortly af-ter midnight. They had been work-ing hard over a difficult problem without interruption for shout four hours and a half, but their fatigue was evidently miligated by the real-mition that a great strike had been averted and that the work brought to a conclusion by them probably will go a long way toward prevailing dis-actrous strikes on a larger number of other roads. was a very weary but happy

chot Committee, and Attorney Pep-per, counsel for Gifford Pinchot near the close of the day's seasion of the inquiry when Senator Nelson ac-cused the lawyer with "trifing" with the committee.

A CLOSE CALL. The Gem theater has as its open-White with anger Mr. Pepper deing bill for the week an array of pic manded to know if that was the judg-ment of the committee and when several members exclaimed "let if pass be said a reflection, which he resent-ed, had been cast upon him and he resented the Senator's right to make such an accusation.

Mr. Pepper was referring to several etters in the records in an endeavor to have Chief Engineer Davis, of the stand, refute several statements at-tributed to Secretary Ballinger to the effect that restorations of cortain lands in the West to public entry after they had been withdrawn under Secretary Garfield had been made on recommendation of the reclama-tion service. Chairman Nelson thought it was a waste of time to go isfaction. The Gem management as-sure its patrons that in witnessing this program, they will for the first over ground already covered and ob-jected to the reading of the letters. In each instance in which the ques-tion was put, the witness replied that The active career of Thomas C. Mr. Ballinger had made his statement.

Platt was ended so long age and so "Now I have come to the point 1 completely that his death at this

was after," said Attorney Pepper, "At the conclusion of your direct examination this morning you said: Although the class of politicians to 'I want it understod that I do not wish to insinuate in anything that I have said that Secretary Ballinger has intentionally or consciously done a wrong act. I do not believe he had.' Will you explain your state-

ment more fully." disclaim any intimation that Ballin quent personal insurrection against ger had done wrong. He referred only to his acts, he continued and not his statements, for many of them were wrong. He did not indicate whether he thought Mr. Ballinger had "intentionally or consciously made'a mistatement.

Mr. Davis concluded his statement before the committee today and was excused at the end of the afternoon session. He flatly contradicted Secretary Ballinger in several statements and said the two did not agree on was thought to have made final. It was then that Platt's organizing talmany reclamation matters, although both had been, and he hoped still. were good friends.
