### HITS ROCKS

London, May 31.—As the Russian stamer Lituania, which sailed from Copenhagen May 24 for New York with 1,200 emigrants, was proceeding very slowly through fog on Friday evening she struck rocks off Old Head Point, Pentland Firth, between Beotiand and the Orkney Islands. The steamer held fast, and many of the emigrants, greatly alarmed, fell on their kases and prayed.

Fortunately the fog lifted, and gitter wireless communication was established with the warship Bellona, at invergorden and with Copenhagen the engines were reversed and the liner doated off.

The bulktheads kept the water from the main hold and the Lituania, ran safety to Tynemouth, where she will be repaired.
