SUE IN NEXT CAMPAIGN

the majority in a perty, "In the same a rule by groups, "In the vent," he added, "the Lord only was where your government would and what it would accomplish."

The President left here tonight at 40 o'clos for Washington. The maident's reference to socialism, and at the continuous of a held his made at the continuous of a held his rep, of what the Republican party sy, of what the Republican party

respect to the institution of private properly. There are these who charge to that institution the corporate abuses, the greed and the corruption that grew out of those abuses, the unequal distribution of property, the powerty of some and the unine wealth of others, and therefore the powerty of some and the unine wealth of others, and therefore the powerty of some and the unine wealth of others, and therefore the powerty of some and the unine wealth of others, and therefore the power of the pow

"On the other based it is contended hat it is not the finitiation of pri-ste property that shall be abolished but only that he time has come in which it is necessary to lay down

as private property under such control that these abuses may be wheel
out and the boss of individual effort
still be left to us.

"Now, my friends, that presents a
great and difficult problem that i am
quite willing to admit we have not
types offered and the question which
the country will have to determine
after all is, which party it is which
has herstofore above sufficient skill
and effectiveness in dealing with
great lasues, which party can be
trusted to solve that groblem than
which we have had no greater in the
history of the country."

Mr. Taf spoke at Keeley Park to
a grand stand filled with a throng
which gave him a demonstrative welcome.

grand stand filled
hich gave him a demonstrative
hich gave hich ga

Continuing, he said: "But it only shows that the ramining of a government is the meeting of great and sometimes unexpected issues and that you need in command is an organized force, that has shown itself, in the past able to meet those issues and the area of the said of the command of have the effectiveness and the skill and the energy to meet them with credit to the people of the country and that is what the Republican party has done down to this day."

The President divided his day between Mouroe and Jackson. At Mouroe he spoke at the unveiling of a statute of General George Armstrong Custer:

\*\*The Ausband was inconsolable till be deroom.

The Sakelston is to be reinterred in Dehner's grave.

Stratford-on-Avon, England, June Theodore Roosevelt arrived here t. Theodore Roosevelt arrived here boday for a short visit to Sir George and Lady Trovelys. He was heartly theoret by a large crow't that makerid at the station. He will visit shakenpeare's birthplace and Annie duthoway's cottage tomorrow.

### A STEAMER IN DISTRESS.

Partly Dismasted and Leaking South of Diamoned Shool Lightship.
Beaufort, N. C., June 4.—The schooner Mary L. Crosby is 42 miles south southwest of Diamoned Shoal lightship, partly dismasted and leaking. The master has asked for assistance. The vessel is from Wilmington, N. C., loaded with lumber and is bound north. There is no tug boat in this port but a wrecking company at Norfolk has been notified and will no doubt send aid to the disabled vessel.

### TO SALVATION OF SOULS

Elliabeth, N. J., June 4.—A crussed against the wearing of big hats at church services has been started almultaneously by the pastors of four leading churches here. Statements by the pastors appeared this morning, turging the necessity of a reform. The Rev. Dr. Samuel Guy Snowdeu, of the Madison Avenue Presbyterian Church, mays:

"I believe that big hats are a hindrance to the salvation of souls in our churches. I believe that it is wrong for women to wear such bongets."

Other pastors organisand similar

nota."

Other pastors expressed similar continent, but the Rev. Dr. E. E. Thames, of the First Baptist Church is a discenter and declares that women may wear hats as large as they desire to his church. "If necessary," he says, "a woman may have a whole pew to herself."

"They are the only thin Sox I've ever bought that wear well," is the usual expression about

## INTERWOVEN SOX

and it is a fact, too. They will outwear any other make as thin and line in texture.

### GARRETT TO GULF

and freight tealm across the Albe-marie sound, but when the long bridge was completed about the first of the present year, she was needed no longer, her service was done, and the lass hores maored at the draw-teriage deep of the Norrolk Bounters Italiway Comman. able has been moored at the drawbridge deek of the verical Southern

### TARE WARNING

The time has come for a change. The existing conditions that are now allowed to be in town will not be tol-writed any longer. Men of your strains with no visible means of support will not be allowed to parade the atreets of the town at all times of day and night. Take warning, you are being watched. OMMITTEE.

The above letter was received by

are being watched.

The above letter was received by me on Thursday, the find day of June. I wish to thank the Committee for their seeming interest in my welfare and to assure them that their recent communication was appreciated.

While I am grateful to them for their warning, I must respectfully decline to heed it. I have been a real-dent of Washington since birth and expect to reside among its people wome time yet, the opinion of the committee to the contrary notwithstanding.

Such acts adopted by "Committee"

"Committee" will come in broad day. would kaife a friend in the dark. If "Committee" will come in broad day-light and not shirk about in the dark perhaps he would be more careful how he gives warning in the future. Perhaps my "no visible means of sup-port" would become more tangible to his vision. The truth is "Commit-tee" is not well informed and has aoms object in writing me such (?) timely advice.

timely advice.

I fim a law abiding citizen and I don't propose to be dictated to by those of "Committee's" stamp. But for the advice of my frends I would take no notice of such conduct. I publish the note I received to show the pitisens of washington the class of some folk residing here.

Respectfully.

J. RUFUS SHELTON.

### NO NEAR BEER

of Shall Not Be Sold-

Rocky Mount, June 4.—Every near ear saloon and firm selling near beer and like baverager is closed today and for the first time in years a real and for the first time in years a real and for the first time in years a resident in Rocky Mount cannot get the real stuff, or the near article. All near beer applications were filed before the city aidermen last night, and it was this body that denied the privilege of selling, and this morning the proprietors of the four establishments were met at the door by an officer who informed them that they could not open, as the city had defined them liceme. There were four applications and the keepers were willing to pay the five kundred dollars tax as recently decided upon by the aidermen. According to the laws regulating this matter the city fathers minst pass on the application of every person who desires the license. The trouble came about when the proprietors of the present establishments began selling a beverage that was making the drunk come all right, the many offenders in the Recorder of court isstified tabt they got drunk on "near beer." It become so frequent that recently the Recorder ordered that the proprietors be taken by surprise and a sample of all of his stock taken and sont off for an analysis. The State law says that over three par cent makes near beer into the part centry in the Bearder ordered that the proprietors be taken by surprise and a sample of all of his stock taken and sont off for an analysis. The State law says that over three par cent makes near beer into the every man in the business was selling the near article, and it was found that every man in the business was selling the near article, and it was found that every man in the business was selling. The entire matter was handled in an executive seasion of the board of all-dermen, and the clerk and the two officers who gathered in the beverage lawer the only persons present except the board members.

During the same executive seasion of the open executive seasion and disposed of. There were sover applicants and only the decidence of the same executive and of the law and according to the bear members.

the question of issuance of pool room license was taken up and disposed of theenee was taken up and disposed of. There were soren applicants and only four landed the necessary consent to upon their places. The trouble here was the masnes of authoriting the business, and it was shown that con-siderable disorder was allowed and siderable disorder was allowed and occurred in those places that the license was denied. There were applications from three persons who desired to conduct colored pool rooms, but it has been the experience of the police and the officers of the city that much if the crime of the city that me dating to these places, and that they have a tendency to cause a less law-abiding spirit among the colored residents of the city.

Beaufort, June 4.—The work on the Inland waterway is being pushed rand by and the canal will be opened for traffic in Rovember. The two dredge boats are about one mile apart. The United States govern-ment dredge Cair Pear is working ment dredge Cape Fear is working on the bar. The sand is pumped aboard and taken to sea and dum There is about 18 feet of water the bar.

### JEWS' EXPULSION

State Library

Berlin, June 4.—The expulsion of Jows in Russia is increasing day by day, secording to the dispatches received y the Jowish Mid Society here. Up to the present more than 30,000 Jowa throughout the country have been expelled from the forbidden territory, and not loss than 7,000 of, these reside in Kiev. In most of the case no notice was given to the occopie, who were compelled to leave the cities immediately, abandoning their businesses, their houses and behongings.

Doctor Bernsrd Kahn, secretary of the society, who is in constant com-

the society, who is in constant co-munication with Russia, says the some tradesmen and artisana for

munication with Russia, says that some tradesmen and artisans form the majority of those expelled, and it is they who are placed in the most dire straits.

No details have been received of any facts of brutality towards the Jews, however. Streams of emigrants arep rocceding to the United States, Canada and the Argentine Republic, and, indeed, wherever they have relatives, but most of them under the guidance of Rubbia, are turning to Oriontal Turkey, where the Jewish teaders are making arrangement to establish colonies. stablish colonies.

### VAUDEVILLE ALL THIS. WEEK

The manager of the Galety has se cured for this week "Baby Irene, the Ghild With the Wonderful Voice," and "Mile. Tina, Change Artist." Galid With the Wonderful Volce," and "Mile. Tina. Change Artist." These two artists are the best in the country and have recently played all the largest cities and are now on their way to the eKith & Proctor theater of New York City. They will be at the Gaiety all this week and will change their program three times.

The picture program for tonight is The picture program for tonight is an exceptionally good one, and no one should miss this good show. "The Old "Eddler" is a strong romantic drama: "Red Hawk's Last Raid" is an Indian tragedy, and "Lo, the Poor Indian." is a beautiful indian romanes. New pletures every night Come out and join the merry crowd tonight.

### STATE DEPARTMENT ACTS

orded Tre ment Humane and Regular Estrada's Victory in Nicaragua is Complete According to I Received at Washington.

San Juan Del Sur, Nicarague, June 4.—William P. Pitman, the American, who isld the mines at Bluefields for the insurgents, was captured by the government troops and will be tried by court martial.

This was made known today following the receint by the government.

lowing the receipt by the government of the details of the capture of Blue-fields Bluff by the forces of President

The troops passed to the assault over five mines, only one of which was exploded. Pittman was woundwas explored. Fittman was wound-ed, and captured, it is anid, as he was engaged in operating the mechanism through which the hidden engines of destruction were released. Pittman halls from Boston.

Washington, June 4.—The State Department has acter promptly in the case of William P. Pittman, an American engineer, who is said to have been captured by the Madris forces while operating with the Entrada army.

forces while operating with the Entrada army.

The following is a paraphrase of telegrams sent by the State Department today to the American consultate at Managua and Bluefields and to Commander Glimer, of the Paducah:

"There is a newapaper report from San Juan Del Sur to the effect that William Del Sur to the effect that William Del Sur to the effect that William Del Sur an American cit.

San Juan Del Sur to the effect that William P. Pittman, an American citizen, so it is alleged, to have laid mines while operating with the Estrada forces, has been made prisoner by the Madrir forces and ta about to be tried by court martial. It is unnecessary to point out that this government, will jestously scratthiss the treatment accorded him which must be humane and regular. You will immediately make inquiry and report be humane and regular. You will immediately make inquiry and report

immediately make inquiry and report to the Department."

If any further evidence were needed to confirm the officials here in their belief that Madriz is following closely the case of Pittman. It is said Pittman possibly may suffer a fate similar to that which befell Grooce and Cannon last November. The intimation was clearly given the Madriz government that owne one would suffer if any summary or irregular action should be taken against him.

What action this government will take will depend largely upon the reports from the United States consults at Managus and Bluefields and from Commander Gilmer.

Commander Gilmer

Washington, June 4 .- The complete route of the Madriz forces is shown by belated telegrams received at the State Department. These tele-grams confirm the reports of the to-tal defeat of the troops which have

grams confirm the reports of the total defeat of the troops which have
been operating in the neighborhood
of Rama, Nicaragua.

A dispatch received today from
Consul Moffast at Bluefields, dated
last Thursday morning, says that the
whole of the Madris forces operating
in the vicinity of Rama had bandoned
their position after several hours of
severe fighting and were in full retreat, having left many dead and
wounded on the field, and that General Mena, in command of the Estrada army at Rama was in hot pursuit.
All dispatches received during the
last several days from the East coast
of Nicaragua indicase that the Madriz
armies at Bluefields and at Rama
practically have ben destroyed and
that the end of the fighting on the
East coast, at least, seems to be in
sight.

So far as known at the State De-

far as known at the State Department the only force which Ma-driz now has on the East coast, ex-cept the few scattered bands now bearmies, is on Bluefields Bluff and it is problematical whether they will not be taken prisoners.

Seeks Taft's Aid.
Cambridge, Mass., June 4.—William P. Pittman is the son of Mrs. Rachel Pittman, of 178 Spring street, this city. Tonight Edwin Pittman, a brother of William Pittman, in behalf of his aged mother, sent the following message to President Taft:
"As a mother, grief stricken over the news of the danger of my boy, William P. Pittman, who the newspapers state may be shot for his part in the Nicaraguan revolutios, I seek your interference in his behalf. He had been for four years in the United States government service in Panama. I only ask what is my right as a mother, but if there is anything you can do I implore you to do it.
"MRS RACHEL PITTMAN."
