BEAUFORT CO COMMISSION PLAN DEMONSTRATION Ita Possib

alished Without Effort.

It is an old saying "Competition is the life of trade." No town or com-munity can appreciate competition unless they are told what other sec

ions are doing. After learning what

fions are doing. After tearning what other sections are doing no town is so close disced or marrow but that they too will make an effort to fol-low a good leader and perhaps itself become a leader. Mistakes are made in all welks of life, though it is unreasonable to condemn every project because one failed. A study of the lives of aome of our greatest men proyes that time

of our greatest men proves that time and again they failed in their projects but not daunted they furned and twisted perhaps tried other method until they hit upon the plan which carried them to the top penical of
