New York, June 24.—An agent of the "Black Hand" perpetrated yes-terday one of the boldest kidnapof failing pings ever known in this city. A child that the "Black Hand"

pluge ever known in this city.
A child that the "Black Hand" has been after for three years — ever since he was four months old — was stolen while his father and mother were atting in their apartment not be ton feet away from the kidnapper and planta within light.
The child was Michael Scinsca, son of Dr. Mariano Scheen, ol Xa 2 Prince attert, a well known Italian physician, who has given his life to the service of his countrymen, in America and who is highly thought of in the italian colony.
Within the past three reserve from the final domanding money on the heat of alling him and stealing or willing little Michael. When he received the first steal they for the first steal the child were environ the first of the first steal the child were environ the first steal the child were environ out of the floor of the apartment house above that on which he lived. His father and mother at which he foor of the apartment open to see that be did not go down stairs and into the street. While they were that the go down stairs and the the street. While they were that the go down stairs and the street. While they were that the street. While they were the street. While they were that the street. While they were that the street. While they were that the street. While they were the street.

He all so but the men who write the letter failed to appear. Other let-tors followed this. Each time the ap-pointment was kept by Lieut. Petros-ino's instructions, but each time the men who were to receive the money did not summer. Other 1st- Italian

then who were to the difference of the not appear. Then, when it became known that Petrosino had been constantly watch-ing the Scincea home and that he was personally interested in the case has the scheck home and that he was personally interested in the case the fear of the head of the Italian Detective Bureau became uppermost in the minds of the blackmallers and no more letters were received. When Lieut Petroanno was killed the writh ing was resumed.

ing was resumed. The building in which the physi-clan lives in a five-story apartment house. He lives on the second flow the main entrance of his apartment being opposite the bend of the stair-men from the first is the second flow

po back has would still him. Dr. Schnece ran out and could me see his boy, but in a moment as Vito Papano, who told himéthe mu had carried Michael down Elizabet

ppeared. The physician went to the Italia attoctive Bureau and told what he courred. Detectives Carrao an international part on the ca

Castano went to work on the case immediately and are still looking for the boy and the man who kidnapped Mr. Editor: I see Mr. J. B. Bouse, of Wayn the boy and the man who kidnappe him. Last night every italian dete-tive of the Police Department was set to work and a general alarm was sent out.

Dr. Scineca received a blackmall ing letter dated April 5, of this year It follows:

follows: Doctor: Today we pray you for the sum of \$1,000. If you talk to the police, the worse for you and all your family. We don't give you an appointment. It would be foolish. We com-mand you to speak with your friends. They know where they can find us. The person who presents himself is worthy and mind that you receive him kindmind that you receive him kindly. We regret to give trouble to your lady. We have a right to

live. This letter was signed with a black hand, four daggers and a cross. Dr. Scineca had no chance to re-ceive the "worthy" person, kindly or otherwise, because he did not ap-

and benevolent toward us, but and benavoient toward us, dut we have a right to live. As a good friend you must help us. If no money is sent we will make trouble, Will have no res-spect for you. We entreat you. Enough said. This letter was signed with a This letter was signed with ten laggers and a black hand.

Then on May 19 came this blood-

Then on May 19 came this bloo thirsty epistle: Doctor: The last letter we wrote you we received no an-swer. Are you perhaps deaf, or are you making a binf to us? If you don't send money you will die and all your family the way we told you in our other will die and all your family the way we told you in our other letters. We don't want to say much more to you. Think this over well. Must have the money before the end of this week or your life

your life. The signature to this letter was alsed to twenty daggers in addition

to the black hand. There was this These daggers are what we will give you and we will drink

your blood. Mrs. Scineca is under the care of

physicians while the distracted hus-band and all the detectives of the Italian bureau are scouring the east side to find Michael.

TELEPHONE THE NEWS.

The manager of the News would ppreciate having the people of the ity and county telephone all news

clty and county telephone all news items, at our expense, if some one is visiting at your home or if you are going away. Let us know it, as we cannot get all the news without your assistance. Girls don't take much interest in puglism, but they will continue to train for the engagement ring. NEW ADVERTISEMENTS. J. K. Mayter A. Co.-Saturday Specials. J. K. Hoyt-Ladies' Shoes. J. K. I see Mr. J. B. Bouse, of Waynes-ville, has an article in the morning paper attempting to reply to my let-ter of the 17th in regard to the can-didacy of Judge A. W. Graham for Corporation Commissioner, in which he positively denies that Mr. H. C. Brown is a wastern man. "Who knows best where Mr. Brown's domicile is? Mr. Boone or Mr. Brown himself and his manager and friends? I copy verbatim from page 5 to the circular entitled, H. C. prown for Corporation Commissioner, sent out

NO. 28

Then on April 11 there came a titer which showed that the fullman who wrote it realized they werr wounding the man who had befriend to the and who had green up his carser that they might receive the medical attention they could not pay better to anow you that we have made up our minds about you and know bow wall off you are: We have waited long enough. We have dong nothing for your lady's sake. Your lady is kind and benevolent toward us, but and Ashe-between Surry and the remeasure line. The west beyond the Blue Bidge has been presented on the Commission now twelve years; and from the geographical point of view, we, as western Democrats, submit as a reasonable and just prop-cellion that the Surry section of the osition that the Surry section of the west, that is, the northwestern portion of North Carolina, is now mor

tion of North Carolina, is now more justly entitled to the honor of the office, so far as geographical claims can go, than any other portion of the west." This is signed by ninety-four leading Democrats of Surry county and was circulated by Mr. Brown and his manager.

manager. He was then running against Mr. Lee, for whom Mr. J. D. Boone es-says to be champion. When did Ar. Brown change his domicile? Judge Graham is not a candidate against Mr. Brown, but Mr. Lee is trying to use Mr. Brown's supposed location against the candidacy of Judge Graham.

against the candidacy of Sudge Graham. The claim that Mr. Brown is a Wake county man is just as unten-able as to say, that, because Hon. J.

able as to sny, that, because Hon. J. Bryan Grimes of Pitt, Hon. B. F. Dixon of Cleveland, Hon. Franklin McNeill of New Hanover, and other State officials have resided with their families in Raleigh for many years, they are also Wake county men. How does Wake county men. How does Wake county relish this business anyway, charging up against Wake county every office holder whose family resides in Rallegh only while he is in the service of the State. Why, of course, Governor Kitchin also resides in Wake county. S. D. BOOTH.

S. D. BOOTH. (The above was taken from the Raleigh Times, of June 23, 1910.)
