New Organ in Metho RECITAL FRIDAY NIGHT

Organ he Installation of the Now About Completion-Will Bo by Prof. H. H. Presson, an Organist of Railound Rep all an H panist of Railouni par of the Lalest 3 Org

3 REELS AT THE GEM:

Following is a description of the new organ installes in the Methodist Church in this city: The organ was built by N. P. Mo-fer at Hagerstown, Md., following specifications premiered by Mr. H. H. Freeman, organist and choirmaster of st. John's Episcopial Church, and in-structor in church organ playing in the University of Music and Dramatic Art, Washington, D. C. The casing and console are of quar-fered oak, finaly pointed. The pipes beautifully decensed to preserve the proper color affects of the interior of the church. An all-feature program at the Gem tonight, "Judith and Holofernes," An an-reature program at the term tonight, "Judith and Holofernes," Gaumont's great hand-colored Bibli-cal drams, the most gorgeously staged and costumed production ever pro-

of the church. The console is of the interior ed and costumed production ever pro-duced upon canvas. "The Stolen For-tune" is an Essanay picture, black and white short range photography stop-knobs of the great and pedal organ, forother with the great-to-stor, well told, capably acted, 'and redshift placed the well togen super-octave couplers, and the swell trem-and ebox. and ebony. The swell-box is thick, of double ranged by the author for this Edison construction and stuffed, of ample size to avoid all mitering or capping of any of the pipes. The belows is has been atrengthened by the best of of ample size to allow, 2% square acting. It is the most interesting throughout, and has water-motor atacting. It is the most interesting and strongly dramatic film the Edi-fon company has ever turned out. The Gem offers its patrons tonight a fea-ture program that cannot be excelled anywhere. This members of the Washington Concert Band and others have tickets on sale for their benefit fomorrow alcht. There are prior like

throughout, and has water-motor at-tached in the basement of the church.

The pedal-board is concave and ra-disting, of the Willis model. The pedal-board is concave and ra-disting, of the Willis model. The construction of the instrument is first-datas in every particular, and the volfing of the highest degree of artistic excellence. Mr. Freeman vis-lied the factory regularly during con-struction to confer with the builder and as the the detail was unclosed and see that no detail was neglected. Moler's patent tubular pneumatic action is used throughout. The organ has 15 speaking stops and 852 pipes. The specifications follow:

NATAL DAY

Elizabeth Myrtle Oden Celebrates He Fifth Birthday Yesterday.

Gragging J. D. Freeman, a white man, from his cell, hanged him on the same spot where he had slain the marchal. The fact that a deep gash was found in Freeman's throat led to the theory that he had attempted sui-cide, probably, with a piece of glass, when he heard the mob's approach. The fruching occurred shortly af-ter 3 of clock this morning. Late Sat-urday afternoon an appeal to the Su-preme court in Freeman's behalf had been granted. "This is the outcome of the ap-prease, was the note found pinned to the dead man's clothing. Freeman, who was a blacksmith, shot and killed Chenault three weeks apo, when the latter attempted to ar-restidents of the community and feel-ing against his slayer was intense. Mexican union are to the effect that in the electoral college which met yes-terday. Diaz and Corrall won overwhelming victories, and that no dis-order of any kind occurred in any section of the republic. President Diaz was first elected to the presidency in 1875 to serve a term of four years. He has been pres-ident over since with the accurate Sweet little Elizabeth Myrtle, th Sweet little Elizabeth Myrtie, the discussion of daughter of Mr. and Mrs. John W. Oden, colebrated his name on East Main street from 5.30 to 7. In addition to the nutmerous games played those present were treated to a possure hunt. But for the inclemency of the weather the little histers had planned a hay ride, but this had to be dispensed with. It will be given at a later day. Miss Harriet Brown won the priss—a bor of writ-ing paper—for finding the most pea-nuts. The little hostess proved to be most charming, and did everything possible, assisted by her mother and term of four years. He has been price-ident over since, with the exception of four years—1880-'84—whim Man-uel Gonzales was chief executive. Until 1892 the president was cho-sen for four years; since that time the term has been six years. President Dia: is hale and hearty.
