FOR STATE CONVENTION.

Quite a number will leave here this

About 12 years ago Ellen Jordan, ow known as Ellen Satchwell, contracted a debt with William M. Bonner, both colored, of this city. The ransaction had long ago been toroiten by Bonner. A few weeks ago to Satchwell woman paid a visit to conner and paid the debt, the amount which was \$5. As she paid over is money she stated that the fact of or owing the amount had caused a many a seepless night. She is one years in a thousand. Her honesty much be questioned.

as a story of that time 15 always sure to excite interest. This Biograph sub-fect is one of special value on account of its dramatic straigth and seenic beauty. It tolks a story of heroism on the part of a little calld, who first saved the life of a Confederate sol-dier deality her inhous sections, synof its dramatic strength and seenle beauty. It tolks a story of heroism on the part of a little enild, who first saved the life of a Confederate soldier deaplie her inborn sectional sympathies, and afterward saves her own father, a Union moddler, from the hands of the same Confederate. The scenes are laid at Loinware Water Gap. The next, "The Unwritten Letter," as clerge and dramatic playlet, excellently planned, played and photographed. There are also other pictures equally as good that will be shown, comedy and educational. So come out with the crowd to the Galety tonight and enjoy ourself.

English Aviator Fell to Ground and Killed

AT THE AVIATION MEET

Flow Across the English Change Twice, Net His Death Yesterda Morning at Hournem Crowd Saw Accident.

Bournemouth, Eng., July 12— Charles Stewari Rolls, the famous English aviator who won the honor of being the only man to make a round trip across the English channel from England to France, was killed from England to France, was killed today in an aviation meet here. He was giving in a Wright machine in the alighting iompetition for a prize of \$1,250, and his merophane turned a some will, crashed to the ground and crushed the aviation to death directly, opposite the aviation to death directly, opposite the aviation to death directly, opposite the aviation to the procentalities of the libbs society, which had been situated to the contest by the fact that hells was to compete to

the fact that Relie was to compete to-the fact that Relie was to compete to-day. Many of them we've personally gequainted with, or friends of the daring system. They cheared him as he areas in the air to a height of 100 feet, and the chears continued as made a circuit of the course. The made a circuit of the course. The cheare were silented; sardeally when the way noticed that he was having trouble. By the time he had accorded to a helph of 125 for almost the months.

trouble were noticed, the aeroplane then plunged straights down. Rells attempted to extricate himself but attempted to extricate aimself but the drop was too swift. The edge of the machine caught him as the two came to the ground together and fatuliy crushed him. His limbs were fractured and he died within a few moments after the aeroplane was lifted from his hade. lifted from his body.

Many of the women in the grand

Many of the women in the grandstand frantically shricked as the avistor was seen to fall. Then several
of them fainted while their men companions rushed on to the field to give
ald to the stricken man.

They were immediately driven back
by the police.

The meet which opened so ausplejously yesterday when J. A. Drevel,
the young American sviator, broke all
English records for altitude flights,
was marked by a serious accident immediately upon the resumption of
dights today.

M. Audemar, a French aviator, fell
in his initial flight and was, badly
for the injured man, mounted his own
machine.

On his flight

machine.

On his flight around the grounds Rolls statuned terrific speed. He had just started his descent to the ground—still at the same speed—when a sharp cracking sound was beard. The cause of this was not understood at first, but it was attributed to the

motor.

Upon investigation after the accident, however, it was found that the tall of the hiplane had broken. Disaster is attributed to a slight fault in accident which the material of the machine, which left the hiplane unable to bear the scrain of the 60 miles an hour speed at which Rolls was flying. The ma-chine was smashed into a crumpled mass when it awaoped to the groun and can never be repaired.

AT THE GEM TONIGHT

Washington Concert Band Benefit To Be Assisted by Misses Bright and Bhodes.

Remember, to night the Washing-ton Concert Band have their benefit at the Gem. They should be gener-ously patronized by the public, as this musical organization is the pest in the State, and the home people should the state, and the home people should feel proud of such musical talent and show appreciation by a big crowd to night. The band will play the entire evening, and in connection with the aplendid picture program Miss Anice Bright and Miss Ada Rhodes, two of Washington, Company, of the state o Washington's Eweetest singers, have will be heard in duets.

The pictures:
"The Ranch Girl's Legacy" is a
Western comedy with all the snap
and dash of Western life.

"The Ostrich and the Lady" is an "The Ostrich and the Lady" is an educational film giving characteristic scenes on a California ostrich farm.
"The Vale of Aude"—a Gaumont—la a beautiful reproduction of one of the Deauty apots of the world. "The Piecky Suitor", a dramatic film by the Essansy company, is one that is learn to please. Come out early tosure to please. Come out early to-night and avoid the rush, help the boys out, and see a good show. Prices

elks to meet in atlantic city

Detroit, Mich., July 12.—The grand lodge of Elks opened its convention here yesterday, It is believed that the grand officers will be reelected without opposition, with the exception of the contest expected for the position of secretary-treasurer. F. C. Robinson Detroit, Mich., July 12 .- The grand of secretary-treasurer. F. C. Robinson, who holds the office now, and George Bostock, Grand Rapids, and David McArron, of Port Huron, Mich., are the candidates. The next convention will probably go to Atlantic City. Atlantic City was selected as the

SET A NEW MARK.

Atlantic City, July 12.—Glenn Curtion set an American record for a 50mile dight in an seroplane this aftermoon by covering 50 measured miles
in Sve-mile laps along the beach in
clapsed time of one hour, fourteen
minutes and 50 seconds. Curties was
in the air one hour and thirty minutes and spect one hour, Il rainvive
and five seconds on the course, air
minutes and statement of the course, air
minutes and statement of the course, when

At the end of his 50-mile flight Curties awept his machine back over the waterways on the meadow side of the city and made an entire circuit of the resort before he descended. In the early evening Curties set a new mark for quick climbing by sweeping his machine 1,600 feet in air in five minutes and five executive. air in five minutes and 51 seconds.

After a wait of hours for a slowing down of the sharp southerly wind, which swept in from the ocean, Cur-ties rose in the air at 3.22 p. m. After a short warming up spin, he swung back over the upper mark made by range flags on a board walk building at Massachusetts avenue and started

or his hour stants. Owing to the cross
the state of the strong in the
tiss never reached a
ratio speed than 50 miles an hour,
his average for the race being about
40 miles.

MAYO ENDORSED

Aurora Citizens Bear Testimony His Worthy as a Man, etc.

To all those who may not have the pleasure of knowing our townsman, Mr. J. W. Mayo, we, the undersigned citizens, wish to say that he is the son of a farmer, living about two miles from town, that he was raised on the farm, and now is himself a farmer of no man shilly.

farmer of no mean ability.

Mr. J. W. Mayo is also doing an ex tensive mercantile business; he is onof our many young men who ha

made good.

He is one of the directors of the Bank of Aurora. He has for several years past been secretary of the board of town commissioners, and town treasurer. Likewise for several town treasurer. years he has been secretary and treas urer of the Aurora graded school

WATER TRAFFIC

Visit Washington on a Tour of In spection—Build Up Better Wa-ter Facilities,

J. T. Whitehurst, of the Lake Drum-mond Canal and Water Company with headquarters at Norfolk, arrived in the city yesterday afternoon. These gentlemen are now making a tour of the water towns in Eastern Carolina with a view of stimulating the water traffic in this section. Their object is to increase the water trade between the autern towns and Northly and the eastern towns and Norfolk and the eastern towns and Norfolk and Baltimore. They hope to get the peo-ple of this section interested in water transportation. If they do and a steamboat line is established it will mean a great saving in the way of freight rates, etc. Mr. King, it will be remembered by the Daily News read-transport. ers, was at one time the vice presi-dent and general manager of the Norfolk & Southern Rallway. They left this afternoon for New Bern and other towns.

COLLEGE OF BISHOPS MEETS.

Nashville, Tenn., July 13 .- The college of bishops of the Methodist Epis-copal church south, met here today to consider the relations of the church to Vander-lit University, and to determine whether it will be expedient to bring suit in the courts to seat the three trustees appointed by the general conference at Asheville to places in the board of trust. compromise was suggested and s committee was appointed to bring about this result if possible. The

HABIT BAD.

Washington, July 13.—"Nothing," says Dr. Wiley, chief of the Chemis-try Bureau, "is more injurious to the youth than the habit of eating ice cream during the heated term. All sorts of germs are likely to be lurking in the cream from its being exposed only a short time to the sun and air, and besides, it is liable to contain any number of harmful substances "Ever since the court here gave a fudicial definition of ice cream the manufacturers have been legally permitted to put anything they like into it provided they freeze it so that it may use for lee even."

FOR ATLANTIC CITY.

tay pass for loe cream.

FOR ATLANTIC CITY.

Mr. Edward Long, Mrs. E. W. Ayers, Mrs. H. B. Mayo, Mrs. A. M. Dunay, Mrs. George W. Guilford and Master Edward Long Mayo will leave Comorrow morning for Atlantic City to spond several weeks.

The Manufacturers Are Com to Terms

CLOAK MAKER'S STRIKE

Oult Work in Newark, Declaring ome of the Undone Work in New York Might be Sent Them-Strike Over in Three Days, Prediction.

New York, July 12 .- A stampede of manufacturers to sign agreements with the 80,000 striking garment workers came today and the officials of the union predicted that the strike

of the union predicted that the strike would be won within three days.

Announcement was made at the union's headquarters that 125 of the employers had already signed the agreements, granting the demands of the employes and that 125 more of them had signified their intention of doing so before the day ends.

As some the strike constitute of the strike of the strik

As soon as the strike committee of the strikers opened sessions at the Victoria hotel today the manufactur ers began to arrive to meet them and

ors began to arrive to meet them and sign agreements.

The strike here today caused 1.-000 cloak-makers in Newark, N. J., to quit work. They declared that the-feared some of the work undone in New York would be sent to Newark

The Suburban Realty and Auctio The Suburban Realty and Auction Company, of Raleigh, will assume the tomortow 100 choice residence low in Nicholsonville. The sale will begin at 11 o'clock. A lot, a bag of gold and silver will be given away free.

The County Institute for teacher. en't in tatch good for education in Reaufort county. Not only do the teachers attend, but each session is visited by many outsiders.

* NEXT CEREF JUSTICE.

Deverly, Mass. July 13.—Charles Hughes will be the next chief jus-ce of the United States Supreme

incs.of. the United States Supreme Court.

Justice Moody will announce his retirement from the Supreme Court bench before Norember, when the term of the special law enacted for him expires.

President Taft has not yet decided whether he will appoint the three new Justices this fall and call an extra session of the Senate or, wait until the regular session in December. His present inclination is against calling an extra session. The president figures that as the Standard Oil, tobacco and corporation tax cases cannot come up until November, little time could be sayed by one, but he has not decided against it. He is thinking it over.

FOR MOREHEAD CITY.

Mr. David Hill expects to leave this Mr. David Hill expects to leave this afternoon for Morehead City in his motorboat, the Red Wing. We feel confident she will be able to show her heels to any boat in those waters when she arrives at that summer re-

REGULAR DANCE.

The regular weekly dance will take place at the Country Club tomorrow evening in Washington Park. A most pleasant evening is looked for by the members. These dances are becoming more popular all the while.

APEX MAN CHARGED WITH

Raleigh, July 13.—Charged with mailing emonymous letters containing insinuations against wives and daugh-ters in the homes of the best families of town, W. H. Rounsaville, a mer-chant of Apex, was bound over in \$1.— 000 hond to the 600 bond to the next term of the Uni-

ted States district court here today by U. S. Commissioner Niehols. These letters have been disturbing social and family peace and quietude in Apex and vicinity for a year or more and efforts to identify the au-thor have falled until now:

BURNING SKIRTS THEIR C. Q. D. Hammond, ind., July 12.—Two womes who, with their husbands, were skrift in a disabled danned on lake Michigan today, attracted the attention of Hessavers by waving blazing skirts as a signal of distress the imperiled quartet, Mr. and Mr. Mathew Staff, of Holena, Mont., and Mr. S. Evers and wife, of Hammond, got prompt sid when the novel C. Q. D. signal was observed.

NEW ADVERTISEMENTS.
