"Chief Blackfoot's Vindication" is one of the most wonderful Indian pictures ever released. It's a Western sensational drama of the kind that thrills, full of stirring action of the right sort, and excellent photography amid the genuine Western wilds. Apart from the excellent dramatic story of this film there are other features which should prove of keen interest to film fans and will to p it off as one of the best recent Western dramatic pictures shown in this city.

The Primaries tonight and tomorrow are the places to say whether or not you favor twoterms, salaried officers and equal opportunity to all, or life term in office, the fee system, which is taxing every voter and an office holding trust.

The man who argues for short terms, beginning two years from now, does it only to secure

your vote, and thereby defeat a proposition which will clip the wings of all politicians. See that your primaries are not packed with men not qualified to vote. Any man who has

not listed his poll tax is not qualified to vote and is subject to indictment

Washington is claimed by the present office holders as their stronghold. They have said that they will get not less than three hundred majority lere. They are working like beavers, as they figure it will offset their losses in the country, and claim that a majority in Washington will change the country vote.

The News predicts that the people in the country are doing their own thinking and will not be changed by town politicians.
